GENERAL SYNOD, ARCHIVES

EXTRACT FROM A LETTER OF THE SECRETARY

OF THE

SOCIETY FOR THE PROPAGATION OF THE GOSPEL

To the Lord Bishop of the Diocese.

"In every Christian Congregation which derives help from the Society, an annual Sermon should be preached on the work of the Society, and a collection should be made in its aid. We should indeed thankfully receive, if it were offered, a token of sympathy in Missionary work from every member of the Church in your Diocese; but we have no doubt that our claim will be acknowledged, at least by those congregations *which are assisted by the Society.*"

The Church Society of the Diocese of Quebec.

ITS OBJECT, FUNDS, AND MANAGEMENT.

The Church Society was established in 1842, to aid in the maintenance and extension of Missionary work within the Diocese. The Corporation is composed of all members of the Church who contribute at least $2 per annum towards its funds, and who have been elected members. The Special Funds of the Society and their object are as follows:

1. A MISSION FUND—to aid in paying Missionaries to struggling Congregations.
2. A GENERAL FUND—to meet the general expenses of the Society; to aid in the erection of Churches and Parsonages, in the education of the children of the Clergy, and in maintaining Schools in poor districts.
3. A PENSION FUND—for aged and infirm Clergymen.
4. A WIDOWS AND ORPHANS' FUND—for the Clergy.
5. A FUND to provide higher Education for children of the Clergy.
6. To provide Bibles, Prayer Books, Catechisms and other religious publications gratuitously or at reduced prices.

The affairs of the Society are managed

(A) By a CENTRAL BOARD, and its several Committees.

The *Central Board* is composed of such licensed Clergymen, and Church-Wardens, as are members of the Corporation, and certain other members elected by the Society. Its sub-committees are the Finance, the Land and Investment, the Education and the Depository.

(B) By the DIOCESAN BOARD OF MISSIONS.

The *Diocesan Board* (composed of Clergymen and Laymen elected, one-half by the Church Society and one-half by the Synod) pays all the Missionaries of the Diocese out of a Fund supplied from the following sources: (1) the Assessments of Congregations served by such Missionaries, (2) Special offerings and subscriptions collected annually throughout the Diocese, (3) the surplus revenue of the Clergy Trust Fund, and (4) the interest derived from the invested capital of certain Mission Funds.

Notices: (*a*) All letters referring to Assessments should be addressed to the Rev. Canon Von Iffland, Secretary, Bergerville; and all moneys in this behalf should be sent to Mr. T. C. Aylwin, Quebec, Treasurer of the Diocesan Board.

(*b*) All other correspondence should be addressed to the Rev. A. J. Balfour, Secretary of the Church Society, Quebec; and contributions in aid of the Funds of the Society should be sent to Mr. Edwin Pope, 83 St. Peter Street, Quebec.

PRAYERS

TO BE USED AT ALL MEETINGS OF THE SOCIETY AND OF ITS SEVERAL ASSOCIATIONS.

LET US PRAY.

Lord, have mercy upon us.
Christ, have mercy upon us.
Lord, have mercy upon us.

PREVENT US, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works, begun, continued, and ended in Thee, we may glorify Thy Holy Name, and finally, by Thy mercy, obtain everlasting life; through Jesus Christ our Lord. *Amen.*

O merciful God, who hast made all men, and hatest nothing that Thou hast made, nor wouldest the death of a sinner, but rather that he should be converted and live, have mercy upon the Heathen, and those who are in error. Take from them all ignorance, hardness of heart, and contempt of Thy Word, and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one Fold under one Shepherd, Jesus Christ, our Lord, Who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. *Amen.*

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee prosper with Thy blessing the designs of this Society. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants the Clergy, the endeavour of all who are engaged in spreading the knowledge of true religion in the Dominions of our Sovereign, and the labours of those Missionaries who are proclaiming the same in this Province. And may Thy Holy Spirit direct all our consultations to the advancement of Thy glory, and the good of Thy Church, through Jesus Christ our Lord. *Amen.*

Almighty Saviour, Who by the right hand of God art exalted, and hast received of the Father the promise of the Holy Spirit, shed forth Thy light and grace on this dark world. O Thou who lovest a cheerful giver, grant Thy people grace that they may minister liberally of their substance to the making known of Thy Name throughout the world. Give Thy blessing to all who are labouring to spread the knowledge of Thy truth, and especially to those Missionary Societies which have ministered to the need of our Church in this Land. Prosper the work in which they are engaged, and make them the honoured instruments of spreading Thy gospel, and proclaiming Thy great and glorious Name. Hear us merciful Saviour, in these our prayers, and to Thee, with the Father, and the Holy Ghost, be ascribed all honour and glory for ever and ever. *Amen.*

O God the Father of our Lord Jesus Christ, our only Saviour, the Prince of Peace, give us grace seriously to lay to heart the great dangers we are in by our unhappy divisions. Take away all hatred and prejudice, and whatsoever else may hinder us from godly Union and Concord ; that, as there is but one Body, and one Spirit and one Hope of our Calling, one Lord, one Faith, one Baptism, one God and Father of us all, so we may henceforth be all of one heart, and of one soul, united in one holy bond of Truth and Peace, of Faith and Charity, and may with one mind and one mouth glorify Thee ; through Jesus Christ our Lord. *Amen.*

Our Father, which art in heaven, Hallowed be Thy Name. Thy kingdom come. Thy will be done on earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation; but deliver us from evil ; for Thine is the kingdom, the power and the glory, for ever and ever. *Amen.*

The Report of the Hon. Treasurer of the Diocesan Board was received, adopted and ordered to be printed. The Secretary read the Report of the St. Francis District Association, and presented the printed report and statement of accounts of the Association of Church Helpers, all of which were received and ordered to be printed in the Annual Report of the Society.

An alteration in By-Law XIII, Sections 2 and 7, was read for the first time, considered and approved by a majority of those present.

The meeting closed with the Benediction.

61 VICT., CHAP. 86.

An Act to authorize the Church Society of the Diocese of Quebec to deal with certain funds in its hands in a certain way, and for other purposes.

[*Assented to 15th January*, 1898.]

WHEREAS the Church Society of the Diocese of Quebec has, by its petition, prayed for authority to consider certain local endowment funds now in its hands or which may hereafter come into its hands as one fund for the sole purpose of distributing proportionately over the whole any loss in the capital which may occur through failure in investment, and of paying out all interest received thereon proportionately at a uniform rate upon the capital of each such local endowment fund, and has also prayed for authority to invest its funds in certain securities; and it is expedient to grant the said prayer;

Therefore, Her Majesty, by and with the advice and consent of the Legislature of Quebec, enacts as follows:

1. The Church Society of the Diocese of Quebec is hereby authorized to consider all the local endowment funds now in their hands or which may hereafter be placed in their hands, as one fund, for the purposes:

(*a*) Of distributing proportionately over the whole any loss in capital that may occur through failure of investment;

(*b*) Of paying out all the interest received thereon proportionately at a uniform rate upon the capital of each local endowment fund.

Provided there be nothing in the instrument creating such local endowment fund to the contrary.

2. Notwithstanding the provisions of article 981*o* of the Civil Code, the society is hereby authorized to invest money held by it as administrator or trustee thereof, in municipal stock or debentures, in real estate in the Dominion of Canada, or on first privilege or hypothec upon real estate in the Dominion of Canada, to an amount not exceeding three-fifths of the municipal valuation of such real estate, or in bonds of commercial corporations in the Dominion of Canada.

All investments made up to date outside the limits of the Province are declared to be legal and valid as regards the authority of the Society to make them.

3. The act 45 Victoria, chapter 88, is repealed.

4. This act shall come into force on the day of its sanction.

ANNUAL REPORT OF THE CENTRAL BOARD FOR THE YEAR 1899.

(Presented to the Church Society, February 7th, 1900.)

The following is a comparative statement of offerings and subscriptions received in aid of the Society's Funds in 1898 and 1899:—

COMPARATIVE STATEMENT.

—	1898.	1899.	Decrease.
General Fund	$1,356 08	$1,155 22	200 86
Mission Fund	4,160 99	1,929 73	2,231 26
Pension Fund	1,653 08	537 19	1,115 89
Widows and Orphans' Fund	222 35	146 25	76 10
Education of children of the Clergy Fund	719 95	532 78	187 17
	$8,112 45	$4,301 17	$3,811 28

A falling off in our income, within one year, to the extent of $3,811.28 is a most serious matter to contemplate. The returns from the Districts of St. Francis, Megantic and Gaspé show in each case a slight improvement. The diminution is to be found in the returns from the City of Quebec. As will have been anticipated the cause is almost wholly due to the great loss which the Church has recently sustained in the death of those two great benefactors whose names have long been household words in every part of our Diocese—Dr. Robert Hamilton and the Hon. Senator Price. It is with much thankfulness, however, that we are able to report that so far as the Mission Fund is concerned, and to some extent the Pension Fund, the loss in income thus sustained through this channel will be made good by revenue from Bequests most thoughtfully made by them in behalf of the said Funds. Unostentatious in their manner of giving, and unwilling to admit that proportionately they gave more than many of their fellows, we could not, without offence, have made allusion to the fact during their life, but when now we state, as perhaps we may be permitted to do, that, apart from special gifts, the offerings of these two men in aid of the Society's Funds year by year equalled the combined offering of the rest of the Diocese, it will at once be realized how greatly we were indebted to them and how grave becomes the responsibility

now resting upon us to redouble our efforts, and if possible our gifts, lest some of the good works which we have in hand suffer. These works, fostered by the Funds of the Society, have a claim upon the sympathy and support of every member of the Church. The work is ours in common because designed for the extension of Christ's kingdom and God's glory. With the interested co-operation of the Clergy and a more thorough, patient and intelligent canvass made each autumn by our House-to-house Collectors, to whom already we are so much indebted, we feel sure, God helping us as He has mercifully done in the past, that there will be no retrograde step in any department of our work, but instead continued growth and increasing vitality.

We have with pleasure noted the fact that from the Districts of St. Francis, Megantic and Gaspé, the returns show an increase in each case over the amounts received in 1898. It is further deserving of notice that in some of the Missions on the Gaspé Coast, the amount given per family for Church purposes last year averaged $19. When we bear in mind the precarious nature, for the most part, of their livelihood, the difficulty of obtaining remunerative employment in the winter, and the scarcity of money as a circulating medium, it will be admitted that this record is one deserving praise and one to be imitated.

GENERAL FUND.

(To aid in the erection of Churches and Parsonages, in the support of Schools, in the education of the Children of the Clergy, in the formation of Local Endowments; and to meet the general expenses of the management of the Society.)

In addition to defraying the expenses incidental to the management of the Society, the following grants were made from the General Fund last year:—

$	16	00 Insurance of Church, Indian Reserve.
	100	00 New Church at Eustis.
	100	00 New Church on Melbourne Ridge.
	100	00 New Church at Kinnear's Mills.
	225	00 Outfit grants to three Clergymen.
	41	35 Depository—Free grants 1897 and 1898.
	20	06 Education Fund.
	300	00 Education of Children of the Clergy.
$	902	41

We are pleased to note a more general observance than in 1898 of the Quinquagesima offering in aid of this Fund. There still, however, remain many congregations from whom no such offering was received. Not alone because it is a rule of the Church Society, but also as a grateful recognition of aid received from this Fund in years gone by, if not of late, every congregation should make an offering on the appointed day in its behalf. Now more than ever, for reasons already given, we shall need such united help. The receipts last year were $200 less than in 1898.

MISSION FUND.

(For the payment of Stipends of Missionaries;—the Fund being supplemented by the Assessments of the Rural Congregations, a grant from the Clergy Trust Fund, and the interest of the Invested Capital of the Mission Funds and the Hamilton Bequest,—the whole administered by the Diocesan Board.)

It is with much gratitude that we acknowledge the receipt of $5,000 in behalf of the Mission Fund and $5,000 in behalf of the Bishop Williams Memorial Mission Fund, both amounts bequeathed by the late Hon. Senator Price. We have also to acknowledge with much gratitude the sum of $486, a legacy from the late Miss Charlotte Green, in aid of the Mission Fund. Through the Michælmas offertory, devoted to this purpose, and the House-to-house Collection, the amount received last year was $2,231.26 less than in 1898. This falling off has already been accounted for in the main; but apart from the cause above stated there is a slight decrease in the amount of our House-to-house Collections within the city. We desire to express our great indebtedness to the Association of Church Helpers, as also to the Church Society Helpers for their good offices, well knowing how large a measure of patience and perseverance a Collector is called upon to exercise in the discharge of this missionary labour: yet so far as the City of Quebec is concerned, it must be confessed that the names of a great many Churchmen are conspicuous by their absence from the subscription lists before us; while the amounts which do appear seem in most cases very small when the object is considered. For the application of the money to the credit of this Fund we refer our readers to the Report of the Diocesan Board of Missions, and to the interesting reports of the Missionaries themselves found on subsequent pages of this Journal.

PENSION FUND.

(For the support of aged and infirm Clergymen.)

During the past year another annuitant, in the person of the Venerable Archdeacon of Quebec, has been placed upon this Fund, making eight in all.

It has been given to but few men in the Canadian Church to render greater services to the Missionary cause than have been rendered by Archdeacon Roe, directly and indirectly. Forty-seven years of uninterrupted service, characterized throughout by great mental and physical activity—eighteen of them in the important capacity of Professor of Divinity in Bishop's College, Lennoxville with charge the meanwhile of a succession of new missions,—might naturally have been expected to exhaust the energy of any man; yet this long and severe strain has but dictated a change in the character of his work. Though compelled to relinquish the duties involved in the charge of a scattered mission, the Archdeacon, happily, continues to discharge his archidiaconal duties with unabated energy, and is ever ready to assist a clerical brother when in need. Our hope is that he may long be spared to give to the Diocese such services, and to the Church at large the benefit of his ripe judgment and ready pen.

The Pension Fund is now taxed well nigh to its utmost extent. With a gradually increasing number of Missionaries on our roll it may reasonably be expected that the average number of annuitants will not decrease. Three of the senior ones now on the list are paid in part from the Clergy Trust Fund, a source of revenue which will cease with their death. It will be seen therefore that the demand upon the Pension Fund in the future is likely to be considerably increased., even though the number of pensionaries be no greater than at present. Our hope is that we may not be obliged to reduce the amount allowable to each.

The amount paid in pensions last year was $2,943.32. We are pleased to be able to report that the Hon. E. J. Price, ever a most liberal contributor to this Fund, left it by Bequest the sum of $2,000.

WIDOWS AND ORPHANS' FUND.

The following Clergymen have completed their payments to this Fund, as required under By-Law XII :—The Ven. Archdeacon Roe, the Rev. Dr. Allnatt, Rev. Dr. Scarth, Rev. Dr. Fyles, Revs. Canon Von Iffland, Canon Richardson, Canon Foster and Canon Adams, the Rev. Messrs. Smith, Lyster, Kemp, Washer, Thompson, Hepburn, Boyle, Sykes, Ball, Blaylock, Richmond, Chapman, Harding, Stevens, Wurtele, Petry, Riopel, Stuart, Walters, Faulconer, Fuller, Robertson, Husband, Adcock, Balfour, Debbage, Murray and Rothera.

The following are in course of completing their payments, viz :—The Rev. Messrs. Bayne, Bishop, Brooke, Curran, Dickson, Dutton, Fothergill, Hibbard, Horner, King, Lewis, Moore, Parrock, Prout, Scott, Whatham, Wilson and Wright.

The number of annuitants last year remained the same as in 1898, viz: six widows and three children. The amount paid was $2,100.00.

EDUCATION FUND.

The following Schools received aid from the Church Society last year. The amount following the name of each is the grant voted for the scholastic year:

Name of School.	Teachers.	Grant.
Barachois	Miss C. Gale	$ 25 00
Bourg Louis No. 1	Miss A. Allen	25 00
Bourg Louis No. 2	Mrs. Henderson	25 00
Cape Cove No. 1	Miss Harbour	25 00
Cape Cove No. 2	Miss Suddard	25 00
Clapham	Miss Nora Hodgson	25 00
Cranbourne	Miss E. Patterson	25 00
Cumberland Mills	Miss F. Annett	25 00
Frampton West	Miss M. Barfour	25 00
Halesboro	Miss C. E. Proctor	25 00
Hemison	Miss J. H. Bailey	25 00
L'Anse aux Gascons	Miss A. M. Travers	25 00
Magdalen Islands	Mr. Curran	25 00
Sandy Beach	Miss E. Thompson	25 00
York, Gaspé	Miss Laws	25 00
Labrador	Mr. G. W. Willis	160 00
		$535 00

The report of work done in these schools varies but little from year to year. Each school has been visited by the Government School Inspector and his report certified as having been favourable. The Clergy express much gratitude for the aid received from the Society, and assure us that without it their poor people would experience great difficulty in maintaining a school; that, small as it is, the grant stimulates them to do what otherwise they would feel unable to do, and moreover, secures for the Parish a missionary handmaid in the person of a teacher, who must of necessity be a member of the Church, according to the terms of help.

We desire to record our thankfulness to the Colonial and Continental Church Society for their generous grant of £60 in aid of this work.

FUND FOR THE EDUCATION OF THE CHILDREN OF THE CLERGY.

Nine grants were in force last year in aid of the worthy object supported by this Fund; two of them, however, for the first half of the year only. These two were released after midsummer, the one by the heroic and noble death (by drowning whilst saving another's life) of Mr. Henry Richmond, the son of the Rev. J. P. Richmond, of Gaspé; the other by the critical and protracted illness of the son of another Clergyman—both of these young men having been students of great promise at Bishop's College.

This Fund has no invested capital, and for the measure of its good work depends entirely upon the voluntary offerings made from year to year in its behalf. In our last Report we made a special appeal in the interest of this Fund, its very existence having been jeopardized by the then recent death of its great benefactor and main supporter, Mr. Robert Hamilton. There was a fair response to this appeal, but it was not sufficient to provide the amount required. Fortunately, however, Mr. John Hamilton and Miss Hamilton had most generously made a special gift of $300 to enable the Society to tide over an anticipated critical year. We hope that there will be a more liberal subscription to the Fund in the coming year.

CHURCH DEPOSITORY.

The following statement will show in brief the business transacted in connection with the Depository during 1899:

Dr.		Cr.	
To Sales Jan., Feb. and March...	$ 70 55	By Books purchased	$461 99
" " April, May and June...	57 09	" Customs, Entry Dues, etc.....	24 16
" " July, August and Sept.	94 01	" Commission on sales, T. Moore	48 92
" " Oct., Nov. and Dec.....	168 47	" S. P. C. K. Subscription.....	10 25
" Special Sales.....	65 00	" Insurance on Stock	6 50
" "Dawn of Day," (Magazine)	3 70	" Postage by Sec. for year.....	3 85
" Free Grants (1897-1898).....	41 35	" Credit with "Bell & Sons," London	5 84
" General Fund, cash.....	181 50	" Cash to General Fund.....	120 16
	$681 67		$681 67

The "Special Sales" above referred to include some costly books, presented by individual friends to St. Anne's Church, Murray Bay, upon which, though ordered through your Secretary, the Depository exacted no commission. It will be observed from the foregoing statement that the disbursements exceed the revenue of the year by $55.50. This is in large measure accounted for by the fact that a consignment of books, valued at $165, and paid for, arrived during the last week of the year. On the whole the sales amount to about the same as in 1898.

Amongst the grants made during the year, are to be included 200 Prayer Books and Hymn Books supplied to Fev. Mr. Almond, Chaplain to the First Canadian Contingent sent to South Africa, for common use amongst the men. The local management under Mr. T. Moore continues to give satisfaction.

We deem it due here to make reference to the death, which has recently occurred at the advanced age of eighty-four years, of Miss Jane Wood, for forty years the faithful keeper of the Church Depository. Four years ago, in recognition of her long and devoted service, the Society granted Miss Wood an annuity for the remainder of her life.

LOCAL ENDOWMENTS.

One by one, yet very slowly, our Parochial Endowments are reaching the figure ($3,600.00) at which, under the conditions of their Trust Deeds, their interest becomes

available. When, years ago, these Trust Deeds were executed, the aforementioned amount was amply sufficient to yield a revenue of $200 per annum. A decline since then of 2 per cent or more in interest obtainable has very seriously affected not these Funds alone but all sources of revenue on which our Missionary work depends.

It will be seen from the report of the Diocesan Board that every dollar of revenue from the Mission Fund, the Robert Hamilton Bequest, and the Bishop Williams Memorial Mission Fund, is already called into use; that local Assessments, instead of increasing, are, on the whole, by reason of emigration from the Diocese, decreasing; that the Grant, so long and generously extended to our Diocese by the Venerable S. P. G., expired with the year 1899; and that new and promising fields of labour are offering which the Board does not feel warranted in more fully entering upon for lack of means.

All these considerations make it the more urgent why every Local Endowment should, at the earliest date possible, be brought up to the revenue producing point.

At the close of 1899 the Endowment Funds of Acton Vale, and Upper Durham and L'Avenir were, by special gifts and subscriptions locally made in behalf of each, brought up to this gratifying condition, although the amount received for the latter did not reach the Treasurer's hands in time for acknowledgment in the accounts for the year. We have thought well to call attention to this fact, in order, at once, to congratulate these Missions, and to commend them for the laudable effort made by them to secure this desirable object, and at the same time to suggest to other Missions, whose endowments are as yet unavailable, the desirability of making like efforts to attain the like end. When augmented only by its annual revenue, the capital grows very slowly. If a permanent local committee were formed, entrusted with the task of collecting something each year to be added to the capital of the Fund, the day of revenues would be hastened very materially, and a good missionary work accomplished.

IN MEMORIAM.

Evan John Price, Senator, of Wolfesfield, Quebec, entered into rest August 31st, 1899.

It is impossible, in the brief space allowable here, to convey a just conception of the nobility and attractiveness

of the character of this great Churchman—now removed from the Church militant—impossible to estimate how much poorer in a spiritual sense we should have been but for the gift of his life and example, and poorer in a material sense, but for the countless and boundless gifts so unostentatiously bestowed by him upon the Church through long years. God alone knows what the total of such influence has been and will be. Personally devout and humble, innately kind hearted, sympathetic, and unassuming in manner, Mr. Price was naturally held in affectionate esteem by all who knew him.

Mr. Price was not merely a great benefactor but a devoted son of the Church. To be a Churchman meant to him something of constant active consequence in the different regions of worship, service, thought, influence, the use of time, talent and money. The secret of his influence lay not merely in the number and measure of his gifts and his cheerful and gracious manner of giving, but in his bright, pure, high-minded Christian character and personality, itself traceable to the grace of God and of devoted Christian principles and practice.

Mr. Max Frankenberg.

It is with sincere regret that we have to record the death of Mr. Max Frankenberg, also a life member of this Society.

All of which is respectfully submitted.

REPORT OF THE DIOCESAN BOARD OF MISSIONS

TO THE

Diocesan Church Society for the Year 1899.

The following is the abstract of the revenue account of the Diocesan Board for the year ended December 31st, 1899:—

Dr.		Cr.	
To Balance	$ 478 40	By Assessments received	$14,879 32
" Stipends	27,199 13	" S. P. G. Grant	2,415 95
" Special Missionary Work	499 56	" Mission Fund, D. C. S	2,778 49
" Vacation Fund Grants	75 75	" Clergy Trust Fund, D.C.S.	4,929 91
" General Expenses	250 06	" Col. and Cont. Church Society	194 44
" Balance	526 63	" Bishop Williams Memorial Mission Fund	1,891 64
		" Robert Hamilton Bequest Mission Fund	1,925 22
		" Interest on Deposits	14 56
	$29,029 53		$29,029 53

This statement, as compared with that for 1898, and viewed solely as the result of the past year's operations, is satisfactory, since it shows that with an insignificant reduction in expenditure there is a balance in hand of $526.63, whilst the balance of $478.40 on the debtor side of the account with which the year began, has been wiped out. Viewed, however, with regard to the future, and the increasing responsibilities of your Board in the extension of the Missionary work of the Diocese, it is far from justifying any expectations of further expansion. We have no longer any reserve funds to fall back upon. During the past year we have drawn the interest on the Bishop Williams Memorial Fund as well as on the Robert Hamilton Bequest, sources of income which previously we have managed to do without. The close of 1899 has also seen the withdrawal of the block grant from the S. P. G., so that, with the exception of the special grant to Labrador, the Missionary work of the Diocese will no longer receive any aid from that generous Society, which has so liberally helped this Diocese for the

long period of a century and more, for the Missionary Roll of the S. P. G. shows that there were Clergymen in Quebec under the Society's direction from the time of General Murray.

It is therefore a matter for serious consideration to note that there has been so large a decrease in the income from the Mission Fund during 1899, from which we have received $2,359.84 less than during the previous year. This is doubtless to be accounted for in great measure by the decease of the two largest annual contributors to this Fund which the Diocese had, and to which reference is made in the Report of the Central Board; but the fact itself remains the same, and had the grant from the S. P. G. been withdrawn a year earlier, we should have had no balance in hand to show, although we have made use of all our reserve funds. But your Board believes that a considerable portion of this decrease in the Mission Fund is due to other causes, and that the need of supporting this Fund has not been generally urged upon the liberality of Church people, especially in the City of Quebec. The impression, too, may have been formed that the revenue from the two hitherto untouched funds would obviate the necessity of contributing as liberally as heretofore to the Mission Fund. If so, your Board would take leave to point out that this impression is not justified by the actual facts, and that generous offerings will still be needed in the future as in the past, now that the S. P. G. grant is entirely withdrawn, if the Diocesan Board is to carry out its work with unimpaired efficiency.

There is another consideration which your Board regrets to be obliged to draw attention to, but which further emphasises the need of supporting the Mission Fund. In renewing the assessments with the various congregations every triennial period, it has always been the aim of your Board to secure such an increase as was justified by the improved financial condition of the people and their enhanced appreciation of the ministrations provided for them. It is acknowledged that eminent success—far beyond what was originally anticipated—has in the past attended the efforts of your Board in this direction, but we have now, it is to be feared, reached the climax, if indeed the tide has not already began to turn. The successive reassessments

every three years have hitherto resulted in an increase, of course smaller on each occasion for a considerable time back, but for the first time in the history of the Diocesan Board, the present triennal term, which begins with the current year, shows that the assessments have fallen off by over $100. The numerous appeals for a reduction on the ground of subscriptions lost by the removal of subscribers from the different Missions and in most cases from the Diocese, the Board, after careful enquiry, has been obliged to acquiesce in, either in whole or in part; and the comparatively few instances in which the congregations have complied with the request for an increase have not compensated for the reductions allowed.

As to the condition and prospects of the various Missions in connection with the Diocesan Board, with the exception just noted, what was said a year ago, is equally true now, as is evidenced in the Reports of the Clergy, viz :—That the work which is being done is of a satisfactory nature, and that the patience and constancy with which our Missionaries are discharging the duties assigned them are producing in some measure the good results to be expected.

As in some cases misapprehension seems to exist in the minds of the Clergy as to the manner in which these Reports are to be dealt with, it may be as well to say--with reference of course to those which are prepared by the Missionaries of the Diocesan Board—that in the opinion of your Board these Reports are intended, in the first place, to convey such detailed information relating to the various Missions which it is desirable that your Board should have, to assist them in judging rightly of the work which is being carried on, and that, in the second place, should the Board deem it serviceable, in the interests of the cause they are entrusted with, to print these Reports for circulation among members of the Church, they are at liberty to do so, in such manner as they may think best—in part or in whole—to make a synopsis of a Report or to print an extract only; in short, to deal with them just in the same way as the great Missionary Societies in England deal with the Reports of the Bishops or Missionaries who, from time to time, send accounts of their proceedings.

It is with great regret that your Board has to announce the resignation of Mr. John Hamilton as Honorary Treas-

urer. The following resolution, adopted at a recent meeting, expresses the high value entertained of his services:—"Resolved that the members of the Diocesan Board, having heard with sincere regret the letter of Mr. John Hamilton announcing his resignation of the office of Honorary Treasurer, desire to place on record their grateful appreciation of his very valuable services, extending over the long period of seventeen years, during which he has discharged the duties of this important position with such remarkable zeal and efficiency, to the great advantage of the Board and of the Diocese at large; and to express to him their heartfelt gratitude and thankfulness for the same, together with the hope that although they can no longer have him as their Treasurer, they may reckon upon the benefit of his presence and valuable counsel at the meetings of the Board for many years to come."

Your Board has much pleasure in stating that the services of Mr. T. C. Aylwin, Q.C., have been secured as Honorary Treasurer in succession to Mr. Hamilton.

The following changes have taken place among the the Clergy during the past year:—

The Rev. C. E. Bishop has been appointed to the Mission of Scotstown, the Rev. H. A. Brooke having accepted the Rectory of Stanstead. The Rev. E. B. Husband has taken charge of the Mission of Dudswell, the Rev. E. K. Wilson having been appointed to the Parish of New Carlisle and Paspebiac.

The Rev. W. J. Wayman was appointed to the new Mission of Johnville, which includes Sandhill and Milby.

The Rev. A. W. Dutton was appointed in the first instance to Way's Mills, Mr. Watham taking charge of Hereford, and subsequently to the Mission of Peninsula, the Rev. N. M. Bayne being appointed to Way's Mills.

On the retirement of the Venerable Archdeacon Roe, the Rev. E. A. W. King was appointed to Windsor Mills and Brompton, and the Rev. C. T. Lewis, of the Diocese of Ontario, was appointed to Melbourne.

The retirement of the Venerable Archdeacon Roe from active duty after forty-seven years of faithful service in the Diocese, deserves more than a passing notice. For, whether he is regarded as a Missionary in the country—as

Curate and afterwards Rector of an important City Parish —as Professor of Divinity at Bishop's College—as a leading light in the Synod and Church Society, or with reference to the important services he has rendered in numberless ways for the good of the Church, and in which he was always conceded a foremost part; or whether we bear in mind the signal energy and ability with which he discharged special duties, often difficult and laborious, or whether we regard his scholarly and theological attainments, which have been so usefully applied, we cannot witness his retirement without a feeling of regret that the infirmities which advancing age brings should have rendered it inevitable, a feeling which, however, is united with the hope that the Archdeacon may be spared many years to enjoy his well earned rest, and to continue to render such services to the Diocese as he may feel able, and which we know he is willing to give.

All which is respectfully submitted.

A. H. QUEBEC,
l'resident.

A. A. VON IFFLAND,
Secretary.

REPORT OF THE LORD BISHOP

FOR THE YEAR 1899,

With reference to Funds entrusted to him for Various Purposes.

Under the Will of the late lamented Senator Price the Bishop received from his Executors the helpful sum of $24,000, and one of the Executors, Mr. William Price, most handsomely took upon himself the payment of the heavy Succession Duty ($2,400) upon the whole amount, so that the Bishop might receive without deduction the whole bequest. The sum of $10,000 was to be devoted to diocesan purposes at the Bishop's discretion; he has consequently allotted half of this amount to the Mission Fund of the Church Society to help to support certain Missions, in which Senator Price had for years taken special interest, and the other half the Bishop, with due knowledge of the Testator's wishes, gave, under certain conditions, to a Fund to be called the Cathedral Endowment Fund. Thus the Senator Price Bequest stands here on record as follows:

(1) Quebec Cathedral Endowment Fund..... ...	$5,000.00
(2) Mission Fund of the Quebec Church Society..	5,000.00
(3) Bishop Williams Memorial Fund.....	5,000.00
(4) Pension Fund of the Quebec Church Society.	2,000.00
(5) Endowment Fund of S. Michael's, Quebec....	2,000.00
(6) Bishop's College, Lennoxville.....	5,000.00
Total	$24,000.00

The Bishop has also during the year administered certain other Funds, and has thus maintained ministrations at Hereford and Agnes, Lake Megantic, and additional ministrations on the Labrador and in the Magdalen Islands. Thus a sum of $1,035, which does not appear in the Church Society accounts, has been disbursed, and this sum was met by $925 raised by the people themselves, together with a grant of $200 from the Diocese of Vermont and a grant of $100 from the Mission Fund of our Church Society. An arrangement has been come to by which these Missions are in future to be administered like our other Missions, by the Bishop and the Diocesan Board.

Report of the St. Francis District Association of the Church Society.

Once more we have reason to thank God for the fair measure of success which has attended the labours of our Clergy in this District during the past year.

It is a painful fact, however, which we have to face that our English-speaking people are not increasing, and in many of our Missions the losses by death and removal exceed the number of those who come permanently to reside. We cannot, therefore, expect that our congregations should grow or that our financial returns should show much increase. But no one can read the reports of the Clergy, or hear them read, without being impressed with the evident earnestness and zeal with which they do their work, and with the tone of hopefulness which universally prevails. This air of hopefulness is not because of the great progress which they are making, but because they feel that God is prospering them more than from their surroundings they could reasonably expect.

The amount of money reported as raised in this District for all Church purposes this year is $29,905.56, and was given as follows: for Parochial objects, $25,283.62; for Diocesan objects, $2,518.27, and for Missionary work outside the Diocese, $2,103 68.

The Baptisms for the year were 322; the Confirmed were 257; the Marriages were 55, and the Burials were 169.

The lack of increase in our English-speaking population hinders also the growth of our Educational Institutions.

Owing in great measure to the continued illness of the late Principal of Bishop's College, there are not so many Students in attendance this as last year; but we know that owing to the competence of the teaching staff the former standard of excellence in work has been maintained if not surpassed. We all earnestly hope that God may so guide the minds of those to whom has been entrusted the task of selecting a new Principal, that they may make choice of the right man.

Bishop's College School is also prospering, and it may be worth mentioning, that about one-third of the boys in attendance there are not members of the Church of England.

Compton Ladies' College goes on its quiet way and is doing good work. The new system of boarding, so far, works well, and the improvement in the safety and comfort of the building is marked since the installation of the electric light.

The Parish of Stanstead and Beebe Plain is now served by one Clergyman instead of two, but the establishment of the new Mission of Milby, Johnville and Sand Hill has kept the number of working Clergy in the District the same.

ALBERT STEVENS,
Secretary St. F. D. A.

ACTON VALE.

The Rev. L. C. Wurtele reports:—

During the past year Sunday Services have been regulariy kept up, morning and evening, at St. Mark's Church, Acton Vale, and in the afternoon at Danby or at West Wickham. These Services have all been attended as well as could have been expected, considering the condition and position of this Mission. Through the kindness of Mr. A. L. Eldridge new shades have been provided for the windows of St. Mark's Church. I am thankful also to be able to report that the Church is now lighted by electricity. The improvement thus effected is very great, and a great saving secured in labour and time. "Hope on, hope ever" was always the earnest and encouraging motto of the Clergyman of this Mission.

The town of Acton has made great strides during the past year. A great many new buildings have been erected, and some large industries are about to go into operation; the G. T. R., too, have added materially to their works—the whole giving promise of a brighter future for the place; yet all has not been brightness with us. We are deploring the loss of two of our faithful Church families—that of Mr. G. B. Wells, who has removed to Waterville, and that of Mr. C. E. Towle, who has gone to reside in Waterloo. From an English community already very small the loss of even two families is a serious matter; and this is especially so when they were amongst the most able and influential, and the most faithful supporters of the Church. We must trust to Providence to have these losses made good to us.

AGNES.

The Rev. J. S. Dickson reports:—

As I look back over the past year there seems to be very little indeed to record which will be of general interest, or will give a fair idea of the work in this Mission. In actual numbers we are not so strong as last year, owing to the removal of three Church families; but against this we have a more regular attendance at the Holy Communion, with a largely increased nnmber of children in the Sunday School. During the year Sunday Services have been held regularly morning and evening at Agnes, and fortnightly in the afternoon at Ditchfield, with occasional week-day Services at Agnes, and in the outlying sections. In July Mr. C. G. Caffin kindly took charge of the work in the Mission; and on one Sunday in August I was assisted by Mr. Hibbard, and in September on one Sunday by Rev. Geo. Pye.

Three candidates, one of whom was baptized a few days before, were confirmed by the Lord Bishop, October 28th, when he also administered the rite of Holy Baptism to one infant. The Church on this occasion was well filled, and included many representatives from other religious bodies.

About twenty-five dollars has been expended by the St. Barnabas' Ladies' Guild on the plot of ground given by the late Mr. Gunn for a burying-ground; but it is still in need of a fence. This we hope to be able to erect early in the spring. The site is a very good one, on the sloping bank of the Chaudière; but it is to be regretted that the plot is not larger. I cannot close without expressing my gratitude to the members of the Ladies' Guild, to the Church Wardens and to the Organist, for their untiring efforts to help on the work in the Mission; also to Miss A. Farquhar and Miss Bailey, our House-to-House Collectors.

BARFORD.

The Rev. G. H. A. Murray reports:—

The work of the Church in this Mission during the year has gone on in the usual way, without any interruptions; consequently this report will be similar to those of past years. Apart from losses by removals there have been few discouragements, while in some respects one sees signs of progress, which tend to keep up one's courage. The assessments have all been met. Extra-parochial as well as parochial needs have been responded to in a fairly liberal manner. The number of Baptisms is in excess of any year since 1893, when those performed in Hereford were included.

Many little acts of kindness from individuals in the different parts of the Mission bear testimony to the good feeling that exists between the flock and the Pastor.

St. Cuthbert's, Dixville.—The average attendance at morning and evening Prayer and Holy Communion is increasing. Sunday School is also in a very satisfactory condition. Mrs. Parsons, Mrs. Norris, Miss Bailey and Miss Egleston have each rendered efficient help in the work. Through the kind offices of Mrs. Parsons, Mrs. F. Damon and others, who were instrumental in raising about $30, nearly two hundred new books have been added to the Sunday School Library. A Christmas Tree for the entertainment of the

children and their parents was held at the Parsonage last Christmas eve.

The mantle of Mrs. W. T. Mayhew, who for upwards of eight years discharged the duties of organist in a very satisfactory manner, has fallen upon the shoulders of Miss Egleston, who also discharges the duties faithfully.

The Lord Bishop visited this Church on the third of December, and confirmed two candidates, one of whom, a young married woman, was baptized immediately before confirmation; the other was a man who had reached the allotted three score and ten years. It was a most impressive Service. The address before and the one after the Confirmation were full of that practical, earnest teaching, which His Lordship never fails to impart.

St. Lawrence's, Barford.—Services were held regularly at this Church till November, when Dr. Ward and his family, who practically compose the whole congregation, moved to Montreal, since which time they have been suspended. The Rev. G. B. Ward, M.A., of the Diocese of Huron, whilst here on a visit, was kind enough to hold himself responsible for a Service every Sunday as long as his holiday lasted.

St. Paul's, Stanhope.—This Congregation has suffered from removals, owing to the suspension of the lumber industry; the few families left, however, have managed to pay their assessment.

The ladies of the Guild continue their faithful efforts in the direction of beautifying the interior of the Church. During the year the walls have been tastefully tinted with a chaste bordering; the floor has been stained, the woodwork and seats varnished, and a new Altar Cloth and Dossal provided. Further improvements are contemplated, for which part of the funds is already available.

Miss Casady, Miss Cameron and Miss Edith Damon, have each done their share towards keeping up the Sunday School; the one last mentioned is now in charge, and through her efforts the sum of $8.50 was raised to help the work among the children. Our organists here have discharged their duties faithfully.

Three adults have been baptized, one of whom was baptized by the Bishop, and, with five others, received "the Laying-on of hands" the same day. The combined Services, together with the catechetical addresses given by His Lordship, must have made a deep impression upon all.

St. George's, Perryboro'.—This Congregation has also been weakened by removals. The Services, however, on the

whole, have been well attended. The addition of the new Chancel, furnished as it is with the necessary accessories for public worship, is a great improvement to the appearance and comfort of the Church in every way. On Thanksgiving Day there was a good attendance and a large number of communicants. The "thank-offering" amounted to $12.84. The returns made by the Church Society Helpers is very satisfactory. Last, but not least, comes the Consecration of the Chancel, December 2, at which Service four candidates were consecrated anew to God in Confirmation. After the Service, in response to Mr. Hobson's kind invitation, the members of the Congregation repaired to his commodious new house, where they enjoyed an hour at lunch and in conversation with their chief Pastor. Next morning there was a Celebration of the Holy Communion at 7.30, at which forty were present and twenty-one communicated; this was followed by the baptism of a little child.

The following Clergymen have officiated in the Mission during the year:—Reverends Canon Foster, G. B. Ward, N. M. Bayne and E. P. Lee, from Island Pond, Vt. It is needless to mention that their services were appreciated by all. To Canon Foster, who is always ready and willing to fill a gap, I am very much indebted.

Taking the Mission as a whole, despite such drawbacks as have been alluded to, the Church seems to be holding her own, and one has reason to hope that her teaching is taking deeper root in the hearts of the people. May there be a still deeper awakening of slumbering and indifferent souls.

BISHOP'S COLLEGE AND SCHOOL MISSIONS.

The Rev. Professor Wilkinson reports :—

There are now the Missions of Moulton Hill and Haskell Hill. At each of these places Services are held by Students of the College every Sunday during Term time and also during the Christmas vacation. The average attendance at Moulton Hill during the past year has been twenty and at Haskell Hill fifteen. The Congregations at Moulton Hill have of late been showing a slight increase. Both Congregations are reverent and becoming more appreciative of our Service; they are anxious to have the Services continued. The student walks to Moulton Hill and back, except in bad weather when the Congregation provides a team—so, as a student is not paid, there is no expense attached to this Mission. Last Lent the children collected $1 05 for Missions.

The people at Haskell have now begun to pay the necessary expenses for teams, so the School has not since the beginning of the present academical year been asked to contribute. This is something to be grateful for, as it is good for the people, who will thus learn a lesson of self-reliance, and good for the School, who will now try to pay off some of the deficit alluded to in last year's report. This has already begun to be paid off, and when the payment is completed the School will doubtless be ready to undertake

some fresh or resume some old work, for instance, the Belvidere Mission, which we have not forgotten. Sunday School was held at Haskell Hill from December 1898 to April 1899—average attendance, 9.

Milby, which I continued to take charge of till the 1st July last, has now passed out of my hands into those of the Rev. J. W. Wayman, B.A., who will no doubt report on it. The College, however, still maintains the old connection with Milby, by providing, at Mr. Wayman's request, for a Monthly Celebration of the Holy Communion; this has been given since the beginning of the present term by the Rev. Professor Parrock.

ST. GEORGE, BEAUCE.

The Rev. H. S. Harte writes:—

During the year just ended we are encouraged to think, that in many ways, the life of this Mission has shown a very healthy tone. Increased interests in Church work, more stable congregations, and larger contributions to Parochial and Diocesan funds are all to be noted with thankfulness.

The Church property as a whole has been kept in good repair, and in St. Paul's Church, Cumberland Mills, in particular, substantial additions and improvements have been made, principal among which we may mention the purchase of a valuable Cathedral Model Bell Organ, and the renovation of the Chancel end of the Church. Our Schools at Cumberland Mills and Cranbourne have, notwithstanding the peculiar difficulties met with in these localities, been for the most part, kept in operation during the year, the former under the able management of Miss F. A. Annett, of Montreal, who also acts as organist in St. Paul's Church; and the latter presided over by Miss Ethel Patterson, of Leeds. Preparations are being made at Cranbourne to erect a new school-house upon a site generously

donated by Mr. Michael Armstrong, one of our Parishioners.

In May and again in October we were privileged to receive visits from the Bishop of the Diocese, to whom were presented on these occasions *three* several classes of candidates for "The Laying-on of Hands," numbering in all seventeen. On the Bishop's second visit, acting under commission from the Bishop of Maine, he consecrated to the worship of Almighty God, Father, Son and Holy Ghost, our new Church at Denistown, Maine.

In our work at Denistown we have been again, and for the third year, ably assisted by Mr. Philip Callis, of the Brotherhood of Lay Readers of Bishop's College, Lennoxville. We are encouraged to think that this work may be placed during the coming year under the care of a resident Deacon, if not of a resident Priest.

BOURG LOUIS.

The Rev. J. B. Debbage reports:—

This year will long be remembered in this Municipality on account of the destructive fire which devastated St. Ray-

mond in June last. I am thankful to say that none of our people suffered directly thereby. This Mission, though not strong as regards numbers and wealth, is geographically extensive. I go thirty miles to the West, thirteen to the North, and ten to the East. Due South I have no call. I do not, however, visit the distant points on Sundays. On Sundays we have morning and evening Services in the Church near my home, and an afternoon Service not more than five miles away. The morning Services in Church are well attended by old and young alike. In the evening we have a goodly number, but chiefly of the younger members. A Sunday School is maintained during the summer. Three day schools are in operation under efficient teachers. One of these teachers, Miss E. A. Allen, receives a grant from the Church Society. Our losses by death during the past year have been fewer than usual; these included two of our aged members, one having attained to eighty-eight years. I mentioned in my last report that one of our members had collected money and purchased for the Parish a suitable hearse, which, though kept under the custody of the Church-Wardens, was for the use of our Dissenting Brethren in common with ourselves. Under the direction of Mr. Thomas Sissons a neat building has been erected on the glebe for its safe-keeping. During the summer the fence around the grave-yard was renewed, money having been collected for the purpose by our People's Warden. The Rev. Richard Hewton, Rector of Upper Lachine, paid us a welcome visit during the summer and most kindly preached for us twice, much to the delight and edification of us all. Mr. Hewton's father, mother and sister, long residents of Bourg Louis, have since removed from the Mission. Their removal is a great loss to us.

BURY.

The Rev. C. B. Washer reports:—

St. Paul's.—Condition about the same as stated in last report. Congregation up to average, also Communions. Sunday School attendance not quite so good, partly owing to lack of sufficient number of teachers. The Choir is weak, too, through removals and marriages. Twelve persons were confirmed in June, who immediately afterwards made their first Communion. The ladies have been working hard for two years to earn money to reseat the Church. We are hindered at present from beginning the work, but before these lines are public in the printed Report, I trust the members of the Guild will judge themselves amply rewarded for their labours in the placing of a series of comfortable, solid and artistic benches. We are still financially crippled, from a want of systematic giving and collecting of dues to the Diocesan Mission Board. The Church-Wardens are now assisted by six sidesmen, who collect assessment in their several districts. When these gentlemen become habituated to the duties of their office and the people to give systematically, very much strain will be relieved. Much improvement, however, has been already effected.

St. John's.—Fortnightly Sunday Services maintained as usual, and Congregations average. No Confirmations here for many years. Neighbourhood to north and west of Church very barren,—the evil effect of schism,—to provide candidates; and those of our people to south and east, when ready, are confirmed at St. Paul's. We have early morning Communions here, with minimum attendance of communicants. It was remarked in our last report how much a few determined women could do; and now we have to record that the ladies of this section have done better than ever. Mr. Fredk Bennett, a skilled workman of much experience in the United States, offered to do the whole of the repairing of the interior of the Church gratuitously, if the materials were supplied. The ladies rose to the occasion. The work took many weeks, with the best results,—new ceiling of fanciful pattern, new sheathing on walls, new flooring, and new benches. When these operations were completed, the need of tinted glass for the windows was much felt. As soon as this became known to our dear friend, Canon Richardson, he rested not till all

the side windows were filled with leaded Cathedral glass, and he bore the cost of this in addition to a considerable donation towards the wood-work. Mr. Bennett generously placed the glass in position, and indeed he gave his work cheerfully and without stint. Much assistance, too, was willingly rendered in many ways by fellow-churchmen.

There are no windows in the west wall of the Church. What about the east widow? We had faith enough to believe that if we waited this would, in time, be filled in a becoming way. And now we can tell of expectation realized, for the glass stainer's work is done, and not many days hence will the Sacrarium be beautified by a representation of the Resurrection of the Lord Jesus. The window is in memory of the late Mr. John Martin, for some years Lay Reader, Church-Warden and Delegate to Synod, and is contributed to largely by surviving members of his family. Our benefactor, the Reverend Canon aforesaid, hearing of what was contemplated, begged to be included among the contributors, that he might share in this offering in loving remembrance of a good helper in the work of the Church.

"And now you are satisfied?" Yes, dear reader, we are truly content,—but we want a bell. Fifty years agone was this St. John's Church built, and still no bell! Why should we not have a bell?

St. Thomas's.—Sunday Services fortnightly. Holy Communion in early morning. Congregation good. Sunday School carried on during summer. By the efforts of the ladies, sufficient money has been procured to buy lamps for the Church; and now, whenever there is Evening Service, we have splendid light, for the lamps are of great lighting power. The Church lot is still without a fence. The meeting convened to discuss the question was not well enough attended to lead to action We must have another meeting

Speaking of the whole Mission, affairs are moving harmoniously. Thanks are due to the many willing helpers. They work without thought of reward; they have their reward nevertheless. They doubtless find it "more blessed to give than to receive," and those who do most for their Saviour are the happiest.

One cannot write definitely of spiritual progress. Sometimes apparent retrogression is actual progress. We are not concerned about signs or results. Work done for God, wise

and discreetly, is never in vain; there will and must be fruit sometime or other. Let us patiently continue in well doing.

(SUMMER RESORT.)

The Rev. Professor Allnatt, Chaplain, reports:—

The Congregation at this Summer Chaplaincy has been steadily increasing for the past four or five years, until it has become necessary to enlarge the Church for the second time. The Church building and Chaplain's house have been for several years past in process of gradual develop-

ment from their original condition of mere sheds, the one a blacksmith's shop, the other a stable of very small proportion. Through the efforts of the Congregation the Church has been made a decent and seemly building, and suitably fitted up; though it has been found necessary to increase its seating capacity by at least one-half, a work which it is hoped will be completed in time for next season. It will then accommodate about 180 persons. The Chaplaincy house is now fairly commodious and comfortable; though, owing to its piece-meal formation, it is rather irregular in its structure.

The buildings are not the property of the Church, the donor, Mrs. Griffith, of Quebec, having vested them in trustees, three in number; one, Mr. C. P. Champion, appointed by herself, the others elected by the Congregation, all to hold office for life, or till resignation.

The Services are as follows:—Celebrations—Early on all Sundays and Holy days; after Mattins, on Sundays twice a month. Mattins, on Sundays, 11 a.m.; daily, 9.15 a.m. Evensong, on Sundays, 7.15 p.m. Sunday School, conducted by Miss Johnson, on Sunday afternoon.

The Chaplain has been trying to introduce the practice of collecting for Diocesan Funds, not an easy matter, the visitors being members of various Dioceses, and having their own funds to maintain; those from the Quebec Diocese having other opportunities for making their contributions. A beginning was made, however, last summer, with the result that $12 are now offered for the General Fund of the Church Society.

CAPE COVE AND PERCE.

The Rev. W. G. Lyster, Rural Dean, reports:—

Apart from the painting of St. James' Church, which has at length been accomplished, very little, worthy of special mention, has occurred in the Mission during the past year.

I am thankful to say my health has been sufficiently

good to enable me to keep all engagements with the usual regularity. When, as has occasionally happened, stormy weather or bad roads have hindered me from reaching Percé, my good friend and Lay-Reader, Sheriff Tuzo, has held Services, which were well attended by those people who live sufficiently near the Church. On such occasions, our organist, Mr. E. Tuzo, has invariably assisted, thus rendering the Services bright and cheerful. I much regret to report that our Lay-Reader at Cape Cove, Mr. Gaudin, has not been very well for some time past. When his health permitted, he always most kindly and cheerfully rendered assistance, for which I feel very grateful. We still cherish hopes of Mr. Gaudin's ultimate recovery. To our organist, Miss Suddard, who is a very effective and tasteful musician, our thanks are due; she rarely allows ordinary hindrances to keep her from Church. I wish to acknowledge very thankfully the services rendered by all our Lay Helpers, including, of course, the Lady Collectors.

It is a pity to be obliged once more to refer to the continued exodus of our young people from the place, in order to seek winter work elsewhere. This weakens us financially, as well as in other respects, and renders the collection of the necessary Church expenses more difficult than I have ever before known it to be. The willing mind of the people, however, is amply proved by the accompanying financial statement. I am very much mistaken if the average contribution per family ($19.00) is not larger than in any other country Mission in the Diocese.

I record with much sorrow the very sudden death of Mr. James Baker, which took place on the last day of September. Mr. Baker was on board the "Admiral" on his way home from Paspebiac, when he was struck down by apoplexy, and from this attack he never rallied. He had been our Treasurer for a number of years and was always kind and obliging. Dilatory payments never made any difference in the punctuality of his remittances to the Diocesan Board. Mr. Baker was a staunch Churchman; we have all missed him a good deal.

I may mention that in June I resigned the position of Inspector of Schools, as my work in the parish had become quite sufficient for me, my health not being robust. As I naturally feel an interest in the schools, which I have been visiting for twenty-five years, I am thankful that a gentleman, who is in every respect capable as well as energetic,

has been appointed to the vacant Inspectorate. Our two schools, generously aided by the Church Society, have been in constant and successful operation throughout the year. Without the grant it would be impossible to keep both of them open. The teachers have, I think, given general satisfaction.

COATICOOK.

The Rev. Canon Foster reports :—

I am happy to be able to report that the regular Sunday and other Services in St. Stephen's and Christ Church have been kept up with unfailing regularity, as in by-gone days. Mr. G. F. C. Caffin, B.A., of Bishop's College Brotherhood of Readers, kindly volunteered to help me in the Sunday Services from the time Mr. Wayman was ordained until the month of September last. His services were most acceptable to all my people, and they all expressed their deep sorrow when he left for England. Mr Ernest Roy, B.A., has taken Mr. Caffin's place since the first of October last, and his services both in the Churches and Sunday Schools of the Parish are duly appreciated. The Sunday School at Christ Church has been re-organized, with a competent staff of teachers. Teaching and Catechizing are regularly kept up for an hour every Sunday afternoon in both

schools, Mr. Roy taking one and I the other. If this system of teaching our young people can be vigorously kept up, I am quite sure the greatest possible benefit will be derived from it.

The Ladies' Guild of St. Stephen's Church has been reorganized, and the members are making strenuous efforts to build a suitable Parish Hall, where all our people can meet for work, and our children can be taught, thus avoiding that unseemly irreverence in the House of God, which is certain to crop up frequently when the Sunday School work of the Parish is carried on in the Church. Towards the erection and furnishing of the hall the ladies have $525.00 in hand, and they hope to increase that amount by two hundred before the work is commenced in the spring.

The meetings of the Coaticook Branch of the Woman's Auxiliary have been held regularly throughout the year, with a slight increase in the average attendance. Several new members have joined, and although there are still some "silent partners," there are others whose interest in the work is both real and practical, and for them we are thankful. Would there were more of them. We are not in a position to give much money; but we can and do give our work and our prayers, and the work of our hands. A barrel has been despatched to St. Barnabas' Home as usual, the contents of which are valued at about $45. We have no special pledges, but collect for the extra cent-a-month fund.

COMPTON.

The Rev. G. H. Parker reports :—

The Services have been kept up during the year without interruption During the month of July the Rector took charge of the Church at Cacouna, his place being filled on the Sundays by Mr. Aytoun, of Bishop's College. The Sunday School and Children's Guild have been carried on as usual, and recently the latter sent $24.73 to the Bishop of Algoma, the result of their work. The thanks of the Parish are due and are heartily given to the Ladies for their self-denying labour and Annual Sale—a great help to the Parish.

The Church has been painted on the outside, and needed repairs done during the year. It has also been much improved by the generosity of Mr. and Mrs. H. Dudley Smith, who have presented us with handsome brass standards for the Altar Rail and had the electric light installed. To them we offer our heartiest thanks.

In the month of June the Bishop visited the Parish and confirmed twenty-three candidates. The Service was most interesting and impressive.

Our Annual Harvest Thanksgiving was unusually bright and attractive, thanks to the Choir of Bishop's College. The Archdeacon was the preacher, and he gave us a stirring and instructive sermon. After the Service there was a large Parish gathering in the Hall of the new Academy.

COOKSHIRE.

The Rev. A. H. Robertson reports :—

A very important event in the history of this Parish took place on July 1st, when the two flourishing stations of Sandhill and Johnville were, along with Milby, formed

into a new Mission, and the Rev. John W. Wayman was placed in charge of the same. There is every reason to believe that the newly formed Mission will grow into a strong Parish. It begins with an assessment of $300 per annum, cheerfully and promptly met, and the good effect of a resident Clergyman is already seen in larger Congregations and a quickening of spiritual life. This is the second Mission which has sprung from Cookshire Parish during the last twelve years, the present Rector of Cookshire having begun his work in the Ministry as the first Incumbent of Newport, which was set off from Cookshire in the time of Rev. Arthur H. Judge. Seeing that the fisrt Incumbent of Cookshire, the Rev. Jonathan Taylor, was ordained about 1817, and extended his ministrations over the whole extent of what now comprises the Rural Deanery of Cookshire, this Parish Church may well claim to be the mother Church of the district, which now comprises nine Parishes or Missions.

The work of the Parish has gone on quietly and steadily during the year. The Lord Bishop gave us an inspiring visit on Sunday, June 11th, when twelve young people were confirmed. Following out his Lordship's suggestion in his Charge at the previous Synod, we had for each candidate confirmed a witness or God-parent of his or her confirmation. The good result of this was seen at the early Celebration on the following Sunday, when every one of the newly confirmed, accompanied by their God-parents, came to the Holy Feast, and the average of attendance since has been very good; a quiet word to the God-parent sometimes being more effectual than speaking direct to the young communicant.

St. Andrew's Church, Eaton Corner.—Our little band of workers do their duty well, and although our Church folk are few in number, they are very faithful.

DANVILLE.

The Rev. Thos. Blaylock reports:—

With the exception of one Lord's Day, the Services in the Village Church have been continued without interruption throughout the year, also as a rule in both Lorne and Troutbrooke. During the greater part of the year I have held both morning and evening Services in Danville, as well as the afternoon Services in the two country Churches; but this, entailing a drive of nearly twenty miles,—as well as four Services,—is more than I can accomplish during the bad roads and short winter days. I regret to say that Evensong brings out but poor congregations. I therefore have the less regret in dropping this during the two or three worst months.

I do not know how it may be in other Parishes in this respect, but here I find great difficulty with some parents, in getting them to observe the Church's rule concerning the baptism of their children. They often defer it for six months or even a year, instead of attending to this most important matter as soon as possible. I look eagerly for some improvements in this respect, also as regard Sunday School attendance.

During the year we have had Special Services for the Forresters and the Volunteers. For the latter we received a letter of thanks from the Colonel of the Battalion.

The assessments have all been paid up to date, I am glad to say, principally owing to the good work of the Church-Wardens, who often have a thankless task to perform, un.

rewarded, except by the approval of their conscience, and in the knowledge that their work is a necessity to the Church. In town the young people have taken great pains to improve the musical portion of the Services under the faithful leadership of Miss Esther Bagley; though living far from the Church, she is never absent from her place as organist. The young people also took charge of the Annual Lawn Social, which was a great success, netting $25.

The insurance on all the Churches has been renewed, in accordance with the rule of the Diocesan Board, the Village Church for $6,000 and the others for the full amount allowed under the Company's rules.

The total sum raised in the Parish for the year was $1,146.74, of which amount $118.71 was for non-parochial objects, or a little over 10 per cent.

DRUMMONDVILLE.

The Rev. R. J. Fothergill reports:—

The usual Services have been held in the Parish during the year past. The attendance at Evensong on Sundays has improved somewhat of late. The Lord Bishop of the Diocese visited the Parish on the 14th of April, and six candidates were then presented for Confirmation. And on

Whitsunday all the candidates, except one, who was unavoidably prevented, made their First Communion at the early Celebration.

Since my last report the tower has been newly floored, and electric light has been placed in the Church, which has added greatly to the cheerfulness of the evening Services.

The Woman's Auxiliary has labored under a good many difficulties, the meetings having been interrupted by the enforced absence of the President during the summer months. Nevertheless, a barrel and a small box of clothing groceries, etc., have been sent to the Rev. E. Thomas, of Fort Alexander, Man. The Junior Branch of the Auxiliary has been revived of late, and the young people by their efforts assisted materially in making up the bales.

The Parish has lost good friends in the departure of E. J. Hemming, Esq., D.C.L., and his family. Mrs. and Miss Hemming took great interest in the work of the Auxiliary. Mr. Hemming has been very closely connected with the history of the Church in Drummondville, as also indeed with that of the Diocese. For many years he acted as Warden and Delegate to Synod, and also as representative in the Synod of the Province.

Last winter the whole Parish was greatly saddened by the somewhat sudden death of one of the most faithful of our young men, Francis Duncan, of Duncan Station; living a quiet secluded life, he was universally respected both by his fellow-Church people and his many French neighbors.

I was absent in Toronto for two Sundays in August, and my work was very kindly taken by the Rev. William Mitchell, of Eutaw, Alabama, who was at that time visiting his relations in the neighborhood.

DUDSWELL

The Rev. E. B. Husband reports:—

As I only entered upon my duties here at the end of June, my report will necessarily be brief. I have endeavoured to carry on the work on the same lines as my predecessors, holding the same Sunday Services, with week-day Services at the following School Houses:—South Ham, second Tuesday in the month; East Dudswell, third Wednesday evenings; Dudswell, The River, alternate Thursday evenings; Lime Ridge, alternate Wednesdays; South Dudswell, alternate Thursdays during this winter. The Sunday School at Marbleton is being faithfully carried on. At Dudswell I found no Sunday School, so I have given fifteen minutes' instruction at the afternoon Services after the second lesson.

The Woman's Auxiliary at Marbleton is working steadily. I hope soon to enlist more in this important work. The Guilds of St. Paul and the Good Shepherd continue their good work for the Church. I am much indebted to the former for a new furnace in the Parsonage, and also to the Association of Church Helpers, Quebec, for $25 towards the same object, which has also enabled us to do other needful work on the Parsonage.

The grave-yard at Marbleton has been improved by a new fence and by the cutting of the trees.

Of the spiritual work it is too soon to judge. I can only hope and pray that the good seed sown by my predecessors may, by God's grace, bring forth fruit to the honour and glory of His name, and the building up of the Church in this beautiful neighbourhood.

DURHAM.

The Rev. W. J. Curran reports:—

The work in this Parish for the past year has been very encouraging, as the people in each Mission have tried to do their duty in attending the Services and helping in every way the Incumbent in his work. The Services in the three Missions have been carried on every Sunday throughout the year.

Holy Trinity Church, Kirkdale.—Divine Service has been held here on the first and fourth Sundays of the month in the morning, and on the second and third Sundays in the evening. The Holy Communion is administered on the first Sunday of each month after Morning Service.

On the 30th of May the Lord Bishop visited the Mission and consecrated a small plot of ground, for the burial of the dead, close to the Church.

The ladies have formed their Guild to look after the interior of the Church. They have their meetings once a month at present. They have made a beautiful Altar Cloth, which is to be used on the different Festivals in the year, when the Holy Communion is administered

I am sorry to report that Mr. William Hall, who for many years was a Church-Warden and a very liberal subscriber to the funds of the Church, is gone. The Church has sustained a great loss by his departure from us.

In the beginning of the year Mr. Thomas Evans was killed at the railway crossing in Richmond. He was also a great help to the Church. Great sympathy is felt for his widow and family in their sorrow.

The Sunday School was carried on through the summer months for half an hour before each Service. In July we had a Pic-nic, when the Congregations of South Durham and L'Avenir met at the Parsonage. Although the day

was very unfavorable, yet one hundred and twenty people, young and old, were present.

The Harvest Supper was held in the Church Hall in October. About two hundred people were present. Addresses were given by the Rural Dean of Richmond and Mr. Lewis, of Melbourne.

South Durham.—The congregation here is increasing. The Services are very hearty. A Ladies' Guild has been formed, and the members are busy working for a new organ.

The Lord Bishop paid a visit in May last and confirmed nineteen candidates, twelve young men and seven ladies.

A new carpet has been placed in the Chancel and matting in the Aisle, which has improved the interior of the Church very much. The Sunday School has been carried on all through the summer months for half an hour before each Service. The Sunday School here has not been as satisfactory as I could wish, as I have to take it myself, and sometimes I find it is impossible to reach here in time.

L'Avenir.—The Services here have been well attended throughout the year. The Church Wardens have done their work well. They have placed a new carpet in the Chancel at a cost of $14. Also, twelve stained-glass windows, made by Mr. Spence, Montreal, have been placed in the Church at a cost of $48. On the 10th of November the Venerable the Archdeacon, at the wish of the Bishop, came and held the Dedication Service. At present all the windows in the Church are of stained-glass. In the spring the Wardens hope to paint the outside of the Church.

The Bishop, on the 30th of May, paid this Mission a visit and confirmed fourteen candidates. This is the largest class ever held in L'Avenir. The Sunday School has been carried on all through the year by Mrs. Skillen and Miss Sutherland. They have their classes half an hour before each Service. This enabled the children to be present at the Services with their parents. I am pleased to report that I have been enabled to complete the Endowment Fund for L'Avenir and Kirkdale. Mr. McDougall, one of my Wardens for L'Avenir, promised me the sum of $50 on condition that I would be able to get the full amount required to complete it before the end of the year. I commenced work, and in two weeks I received the sum of $265.50. One hundred and sixty-five dollars in cash and the rest to be paid before the end of the year. The full amount, I hope, will be in the Treasurer's hand at the end of December.

I may say that I was well received by every family, each one feeling that it was very important to have our Endowment completed before the year 1900.

In conclusion I wish to thank the Church-Wardens and Lay workers throughout the Mission for their great help to me in carrying on the Lord's work. Also every family for their kindness towards me.

EAST ANGUS.

The Rev. W. A. Adcock reports:—

During the past year everything here has been in a state of transition, which after all is what must be expected in such a Mission as this. Still, this makes the work unsatisfactory and renders it difficult to keep the Church machinery in working order. But there is a bright side to the Church's work and the Clergyman must always look in that direction. To commence with things spiritual, I fear we lack much. I am constantly bringing this matter before our people, the deepening of the spiritual life. I hope our people are beginning to realize what it means and the sacrifice it requires. I believe there are hopeful signs, yet it is indeed a hard struggle with many of our people who have to work on Sundays in the mills, where little or no regard is held for the day of rest. However, I do notice

more interest in Church life generally, a deeper interest in things spiritual, a greater desire to do something for the Master. The congregation is holding its own well in spite of its vicissitudes. The Sunday School is prosperous, the attendance at Church is good, the responding excellent. There have been several red-letter days during the year, when the Church proved far too small to accommodate those who would find a place. The principal work of the year has been the restoring of the Church, which had become dilapidated, nothing having been spent upon it since its erection. The congregation well supported me in this undertaking and contributed the sum of $440.00, a sum very creditable considering their circumstances. The work undertaken has proved very satisfactory and pleasing to almost everyone. The exterior of the Church has been painted and general work done on the tower. The interior has undergone considerable change, the seats altered and painted, walls and ceiling tinted, new windows added of Cathedral rolled glass, chancel raised to three steps, two vestries added, also screen separating chancel from nave, and other minor alterations. The Parsonage has been painted, stable and barn clapboarded, ice-house added, kitchen reshingled, work done inside of Parsonage, and general work done on premises; the whole cost being $580.00. The sum of $480.00 has been provided, leaving a balance of $100.00 to be raised. The work is not yet completed. The roof of the Church must soon be reshingled, a horse-shed has been a long felt want, and the Parsonage needs to be papered, all which D.V. will be done next year. The Ladies' Guild is working with that end in view, and the congregation has promised further assistance.

I beg to extend my warmest thanks to the Ladies' Guild for their generous help; to the Sunday School teachers and our faithful organist, Miss Cowling, for their devotedness; and to the Church-Wardens, for their ever ready assistance. The Lord Bishop visited the Mission in June last and confirmed nine persons, all of whom are communicants.

At Ascot there is little to report, save that the congregation, for zeal and devotedness to their Church, cannot well be surpassed. Our numbers are few and becoming fewer every year, the regular attendance at Church is only from 20 to 30, almost all having to drive long distances. Owing to paucity of numbers it is becoming a serious matter to finance the Church. During the past year some conspi-

cuous gaps have been made in our midst owing to removals. Much interest has been manifested in securing and laying out a new grave-yard, which has been enclosed with a neat fence. The Church here needs repairs and some general work needs to be done. I trust before long we may be in a position to have it attended to.

EATON AND MILBY.

The Rev. J. W. Wayman reports:—

I began my work here on July 1st, 1899.

The Mission is a new one and comprises the stations of Johnville, Sandhill and Milby. Johnville and Sandhill were connected formerly with the Parish of Cookshire; Milby has for many years been under the care of Professor Wilkinson, of Bishop's College. I consider that the prospects are most encouraging. There is much work to be done and the field is a large one.

At Johnville, unfortunately, we have no Church building. The interior of the Union Hall, where we hold our Services, is however becoming quite Church like in appearance. Owing to the kindness of the Ladies of St. Matthew's Guild we have now a beautiful set of Altar Linen,

and I hope that before long we will also be furnished with Communion Plate. The congregation here averages about sixty-five, and the Services are bright and hearty. The Harvest Festival was a great success. The Rev. Dr. Scarth preached on this occasion, and I was further assisted by the Rector of Cookshire, and Rev. Mr. Lewis, Incumbent of Melbourne.

At Sandhill the congregation is not quite so large, indeed it is not as large as it should be. There are here, however, several very devoted Church families, the members of which rarely absent themselves from Services. Here, too, the Harvest Festival was very enjoyable. An appropriate sermon was preached by the Rev. Mr. Lewis and the Service was followed by a supper and entertainment.

Much credit is due to Prof. Wilkinson for his work at Milby. The congregation here, though small, is very devout. The people have been well grounded in Church principles, and the warm and intelligent interest which they display in religious matters makes it a pleasure to minister to them.

At all three stations the Ladies' Guilds are doing excellent work. My best thanks are due to all my helpers, especially to the Church-Wardens, through whose exertions the assessments have been punctually met.

FITCH BAY AND GEORGEVILLE.

The Rev. G. G. Nicolls reports:—

There have been no changes in the Services here since I sent in my last report. The attendance at Fitch Bay is generally good; while at Georgeville it fluctuates, and the same is true of the Bachelder School-House.

I have again the pleasant task of acknowledging the invaluable help derived from Dr. Codd's kindness as Lay Reader, and am glad to say that one of the congregations showed in a substantial way, last Christmas, their appreciation of his services.

There has been nothing out of the way or startling in the history of the Mission during the year, but it is hoped and believed that everything has progressed satisfactorily, if quietly.

There were clouds on the horizon, from a financial point of view, at Georgeville in the spring and early summer; but with the arrival of the visitors there was an improvement, and with their co-operation—which was kind and wholesouled to a degree—the shadows soon dispersed. They worked most heartily, in conjunction with the Women's and Children's Guilds, which deserve their share of credit.

The thanks of the congregations are due to the voluntary organists—Miss Wright, at Georgeville, and Mr. C. C. Rand, at Fitch Bay—for their services.

The Harvest Festivals—on Michaelmas Day in Georgeville and on October 12th in Fitch Pay—were bright, and happy Services; very excellent sermons being preached, at the one by the Rev. R. A. Parrock, M.A., Professor of Classics at Bishop's College, and at the other by the Rev. H. A. Brooke, M. A., Rector of Stanstead.

Within the past few weeks improvements have been effected at both Churches. At Georgeville such parts of the old fence round the Church-yard as were worth it have been restored to the perpendicular; while many yards of neat new picket fencing have been added, and the whole yard is now enclosed in a sightly manner, instead of looking neglected and uncared-for. When all is painted in the Spring the effect will be further improved, and very pleasing and satisfactory. The funds for this work were provided, in about equal parts, by individual subscriptions, and by the Children's Guilds—which also paid for the re-painting of the Church floor early in the summer.

At Fitch Bay a new foundation has been put under the entire southern half of the Church, the ground outside graded, a new cellar door and windows put in, clapboarding done, the drainage improved, and preparations made for building a horse-shed in rear of the Church next year. All this work was voluntarily done by the men of the congregation, who turned out to it in a way that was very gratifying to see.

FRAMPFON.

The Rev. G. F. Hibbard reports:—

I am happy to be able to report another year of general prosperity among our people, a light, but encouraging increase in the number of communicants and some little improvements made of a material character.

Hemison has adopted the envelope system, and by this means we hope that our surplus at Easter will enable us to put some improvements upon the Church. The Congrega-

tion at West Frampton have purchased a new "Dominion" Chapel organ. It was in place for the Christmas Services, and supplies a long felt want. The people deserve much credit for their efforts to raise what was for them a large sum.

The offertories are not so large as they should be, but Hemison, though it lags in this respect, shows up well in the house-to-house collection for the Church Society Funds.

The Lenten Services were well attended in both sides of the Mission, and the Advent Services as well in West Frampton. We were all pleased and helped by the Bishop's visit in May; he was kind enough to spend Whitsunday and Whitsun Monday with us. In September the Deanery of Levis met in this Mission, and in spite of the cold weather we had enthusiastic meetings, which we all enjoyed, the visiting Clergy very kindly doing all they could to make the meetings interesting and instructive to the people, who on their part gladly entertained their welcome visitors. The Rural Dean, the Rev. I. M. Thompson, of Levis, preached a splendidly practical sermon, and we hope to see him among us again before the present year is out.

Many of our people persistently overcome all the difficulties of winter roads and weather and are most regular in their attendance at Divine Service, but I regret that this religious fervour is far from general, and a greater effort to be present at public worship, in spite of bad weather, should be made. I add with pleasure that we have been the happy recipients of a great deal of kindness from the warm-hearted people, among whom our lot has fortunately been cast, while the general willingness of all to help one another creates a good-will that is most pleasant to see.

Our Churches are in need of repairs and improvements, and I trust everyone in the Mission will join in the efforts to see these completed.

GASPE BASIN.

The Rev. J. P. Richmond reports:—

Services have been held regularly, except in the month of June, when I was detained for one Sunday after the meeting of Synod on business pertaining to the Mission

The Parsonage, together with its outbuildings, is completed, and attention is now being paid to supply another great want, namely, some building which can be used as a Parish Hall. The Village does not possess a public building suitable for social entertainments; and to clean out and fit up a store for such purpose involves a great deal of work. The Ladies of the Guild have taken the matter in hand with the consent of the Vestry, and have acquired a site, and have under construction a building sixty feet long by twenty-six feet wide with a basement.

In this small congregation there have been five deaths during the year. The births exceed the deaths by but one.

St. James' Congregation.—Owing to the separation of York from Gaspe South the congregation is smaller, and the Church-Wardens find it hard to meet current expenses, these being the same as when the congregation was not divided. This congregation has also lost two communicants by death, the one, an aged Christian; the other, for years an invalid, though in the prime of life—both teaching by example that the way to eternal life is to suffer patiently.

For the first time in many years, there is winter work for everyone who wishes for employment. The people on the North-West Arm have the benefit of increased lumbering operations. On the South-West the Petroleum Works, whether ultimately they will prove a success, or the reverse, are at present giving a large amount of employment.

HATLEY.

The Rev. Albert Stevens reports:—

This has been a year of uneventful work. The Services have been kept up at the four stations as usual: Morning Service on Sundays and Chief Festivals in St. James' Church, and Evening Service every Sunday in the Union Church, Massawippi, with Afternoon Service alternately at Ayer's Flat and at the McConnell School-House.

St. James' Church has received the gift of a new Altar Cloth from the Kilburn Sisters, and a new carpet for the Sanctuary from Miss Weston, and the Rector received two beautiful stoles from Mrs. Huntington Wright. These gifts are much appreciated. An ornamental iron fence has been put in front of the grave-yard at a cost of $100. The new furnace which was put in the Church last year works very well, and there is no difficulty in keeping the building comfortable in the coldest weather.

The Bishop confirmed seven persons here last June, and they have all become regular communicants.

We have a very active Ladies' Guild, which is helpful in all good works. The ladies are now engaged in raising money to improve the appearance of the interior of the Church.

At Massawippi I notice a more regular attendance, and the choir has been helped by Mrs. Lloyd, who has most kindly acted as organist. She deserves great credit for her faithfulness in attending the Services in all kinds of weather and for her persevering diligence in keeping up the choir practices. In addition to this she has acted as collector for the Church Society.

At Ayer's Flat and at the McConnell School-House the attendance has not been as good as it might have been. These places serve as centres in which our scattered people in these neighbourhoods may keep up their connection with the Church; and they may in time grow to more encouraging proportions. I regard them as missionary ground, and the growth must necessarily be slow. I have from time to time evidences that our Services in these places are not without their good effects, not only upon our own people but upon strangers who occasionally come. Though, perhaps, not so immediately perceptible as the results of a non-liturgical Service, yet the continual offering of our Morning and Evening Prayer does in time impress and edify those who attend and take part in them.

I would like to take this opportunity of expressing my gratitude for the many acts of kindness which I have received from my people, and especially for their sympathy during the illness in my family.

HEREFORD.

The Rev. A. E. Whatham reports:—

The Mission of Hereford comprises the Districts of Hall and Beach Streams in the Diocese of Quebec, the Villages of Beecher Falls, Canaan and Averil in Vermont, and West Stewartstown and Colebrook in New Hampshire. I have also been asked to commence work at North Stratford in the latter State. From this it will be seen that a very large part of my Mission is within the borders of the United States. Nearly all the members, however, at the different stations are our own Canadian Church members, who, obliged to live across the Line for business purposes, would be entirely without the Church's ministrations if this work were not undertaken by a priest of our own Diocese.

Hereford.—On the fourteenth of November I took advantage of the presence of the members of our Rural Deanery, which met at Canaan, to hold a Missionary meeting at All Saints' Church, Hereford. Within the Church was a densely packed congregation, who not only took part in the Service, but listened with rapt attention to the two excellent addresses given by Mr. Robertson and Mr. Moore. But the people of Hereford, while numerous, are desperately poor. They are asked to contribute but $50 per annum to the assessment, and this is practically about all they are able to raise. When, therefore, I am able to report that they have painted their Church and rebuilt the fence which encloses an extensive burial-ground at a cost of somewhat over $60, the burden shouldered by them may be imagined. In fair weather the congregation here numbers about seventy souls, some of whom come four and five miles to Church. And here I cannot refrain from alluding to the mother of the District, Grannie Howe, an old lady seventy-six years of age, who yet walks from the top of Hereford Hill, a distance of eight miles (four either way,) nearly every Sunday in order to attend Church. Blow high or low, rain or fine, she and old Mrs. Boltor, another excellent member, may be seen slowly wending their steps towards the House of God. I have just organized a Ladies' Guild here.

Hall's Stream.—Here is perhaps one of the prettiest little Churches in the Diocese; and yet it is forced to remain closed all the year round, there being now no congregation to attend it. It was erected largely through the liberality

of the late Mr. Bean, at one time a large landowner and employer of labour in this District. Mr. Bean's death was followed by the removal of many and the advent of another religious sentiment.

Beecher Falls.—Here we have five families of Church people, and several others who are friendly towards the Church.

West Stewartstown.—Our congregation here, while seldom numbering less than forty, sometimes reaches close to a hundred. Still our active members are few and poor and have all they can do to raise $50 a year for their assessment, and $44 for the use of Church Hall and electric lights. We have here a zealous Ladies' Guild.

Canaan.—This is a pretty village of some six hundred inhabitants, including several Church families. Following the example of my predecessor, I have chosen this place as the centre of my work. As the Mission is unprovided with a Parsonage, my predecessor, unable to do better, purchased a small house in which to reside. This I took off his hands and am paying for it by instalments. I could not otherwise better provide for my requirements.

Averil.—A disastrous fire a few weeks ago was the means of driving away from this place many of our members. Poor before, the congregation is now somewhat financially embarrassed. There is, however, much work to be done, and the Church's ministrations are much appreciated by those who reside hereabouts. I have a Service here on alternate Sunday afternoons, Mr. Sweet, our Lay-Reader, kindly taking the Service on the other Sundays of the month.

Colebrooke.—I am happy to say that there is observable here a marked quickening of Church life and religious zeal. Something in excess of the entire year's assessment has already been collected. We have purchased an organ and organized a choir, and now have in contemplation the purchasing of ground, upon which to erect a small Chapel. It is my experience that without some place of worship, Church-like in character and equipment, it is difficult to instil into people that reverence in worship and love of Christian principles so essential to spiritual growth.

North Stratford.—This place, like the former, is in the northern part of the Diocese of New Hampshire. I have found here a goodly number of Canadian Church families,

and have promised to give them a fortnightly Evening Service.

From the foregoing account it will be seen that the work which this Mission offers is far from an easy one. Hitherto I have enjoyed the kind good-will of the people generally. I can but hope for a continuance of this, and pray for a continuance also of God's help and blessing, so graciously bestowed in the past.

Baptisms, 10.

INVERNESS.

The Rev. H. A. Dickson reports:—

The work in this Mission has been carried on during the past year without any marked deviation from the course pursued in the past. The Services have with few exceptions been held in the three Churches regularly every week

Congregations at both St. Stephen's and Campbell's Corner have suffered heavy losses by removals, which have affected both the attendance at our Services, and our financial strength. At Adderley we have held our own and have made a successful effort to meet our financial obligations. The Sunday Schools at the three centres have been much better than at any time before, since I came to the Mission, under the superintendence of Mr. John Mackenzie, Mrs. Alex. Graham and Mrs. Dickson, who with their assistants have taken great interest in their work.

The Parsonage, which had been allowed to get somewhat out of order, has received some repairs during the year, $30 dollars having been raised for that purpose, and preparations are being made to make other necessary improvements as soon as weather permits.

IRELAND.

The Rev. W. G. Faulconer reports:—

Trinity Church, Upper Ireland.—All the regular as well as the special Services have been extremely well attended during the past year, and our communicants have increased both in numbers and in regular attendance. The Sunday Schools have on the whole been well attended and much valuable teaching given therein. The Bishop visited the Parish in June last and confirmed eighteen candidates, two of whom were adults. The Woman's Guild has done much valuable work both in support of the Church and also in contributing $150 towards the proposed new Church to be erected to commemorate the commencement of the Twentieth Century. Towards this good work the whole congregation have contributed the handsome sum of one thousand dollars. This sum, together with contributions from friends in England and Quebec, make a grand total of sixteen hundred dollars. The amount needed to complete the Church will be about $2,700.

The Woman's Auxiliary is doing steady and good work both at Maple Grove and Lower Ireland.

Christ's Church, Lower Ireland.—The Sunday and special Services here throughout the year have been extremely well attended, and the Sunday School fairly well. Much aid has been rendered by the Woman's Guild.

Mr. Johnson, who acted as our Delegate to the Synod for many years, a most generous supporter of the Church, has, I regret to say, removed from the Parish. In Mr. and Mrs. Johnson we lose two of our most faithful and enthusiastic Church workers. Such gaps are very hard to fill. I am glad to say that some of our most faithful members have increased their contributions towards the assessment, so that the great loss of ninety dollars a year, due to Mr Johnson's departure, may in some measure be met.

The Church has been clapboarded anew and will be painted early next spring. The estimated cost is $150.

Death has taken away one of our truest Church members and supporters in the person of Mr. George Elliott, who was the victim of a sad accident. He was a devout man and much beloved.

St. Peter's Church, Black Lake.—We have very few families here now. Business prospects looked a little brighter during the summer, but it was only temporary. Our Services have been well attended. The assessment has been well paid up, though it costs the few families a much greater effort than in former years.

St. John's Church, Thetford Mines.—The Services have been kept up here every Sunday, and on the whole the attendance has been good. Mr. Tannar, my enthusiastic Lay-Reader, has rendered very efficient services here, and these have been much appreciated. As in former years we are greatly indebted here to the generous help of Mr. and Mrs. A. S. Johnson, and to the active interest which they take in the Mission.

St. Mark's Church, Kinnear's Mills.—The regular Services have been well attended. The congregation have much appreciated the work of Mr. Tannar, and have themselves been stimulated to greater religious earnestness and activity by the sympathy and zeal which he has manifested.

The chief event of the year has been the building and completion, free of debt, of a beautiful little Church. The congregation did admirably in raising over $300 towards

this object. We have to thank the S.P.C.K. for $100; the Church Society for $100, and many kind friends in Quebec and elsewhere for generous subscriptions. The new Church was consecrated by the Lord Bishop of Quebec on St. Andrew's Day, when the Church was crowded to the doors. We had a very happy Service, and at the Celebration of the Holy Communion forty-two communicated. There were four Clergy present assisting at the consecration.

In conclusion I desire to thank most heartily all our Church-Wardens, Organists, Teachers, Church Society Helpers and other Church workers for their willing and most helpful co-operation with me in all my work.

Reviewing the work as a whole, I have much cause for deep thankfulness to our Heavenly Father, who has certainly followed and sustained us by His blessing throughout the Parish both in our trials and sorrows, as well as in our prosperity and joy. To Him be all the glory.

KINGSEY.

The Rev. James S. Sykes reports:—

Steadily, quietly, and improvingly, the work of the Church has been done in Kingsey during the year just past. Services well maintained. Attendance regularly good. Holy Communion appreciated. Offertories encouraging. House-to-house collections increasingly large. These items, I believe, fairly represent the steady growth, quiet consistency and advancement in the spiritual life of our congregations.

On May 29th we had a cheering visit from our Bishop, accompanied by Rural Dean Hepburn, for a Confirmation at Denison's Mills, when eight persons were confirmed, four of whom were adults. At my suggestion the Church-Wardens agreed to give the offertory on that occasion to the Robert Hamilton Memorial Fund. No previous notice of this offertory ($2.38) having been given, accounts for its smallness. The other subscriptions to this fund are: for Sydenham Place, $47.50; Denison's Mills, $22.13; Spooner Pond, $12, making a total of $81.63, of which $48.13 has been paid as this year's instalment. With offertory, full total $84.01. While on the subject of house-to-house collections, I would call attention to the fact that our collectors in the three stations have secured for the Church Society the sum of $51.92. This, I think, with the efforts for the Robert Hamilton Memorial, is a sufficient answer to the suspicion that the Incumbent of Kingsey is in the habit of putting in the rosy tints with a white-wash brush. All our collectors are good and efficient.

By marriage, removal and death our number is constantly decreasing. Decrease by marriage is explained by the fact that enterprising bachelors from outside our borders come in and take away with them all of Kingsey's beautiful and fair daughters. Among them two more of our organists have been captured. I have always thought that there was some subtle connection between music and matrimony. The following illustrates my thought:—"There is a curious custom at Florence in connection with the common locust. On the feast of the Ascension the young women hunt for locusts in the gardens known as the Cascine, and every girl who is so favoured as to find a fiddler—that is, a male, believes that she will be married within the year. The unhappy musician is placed in a little cage and kept until he dies.

Death has taken from us many of our old friends this year. Mrs. Hamilton, a widow, aged 88 years, died suddenly, and before she was buried, the news came to us of the terrible and startling accident to Mr. Thos. S. Evans, a respected member of the congregation at Spooner Pond, run down while attempting to cross the track before an express train on the Grand Trunk Railway. Two short hours after his leaving home strong and vigorous, his wife was shocked by the intelligence, that no more should she welcome alive the partner of her joys and sorrows. You may picture that home-coming of the dead husband and father. Sympathy with the bereaved was deep and widespread, and attested by the large gathering at the funeral. Next, Richard T. Hodge died after a long period of suffering; had been in the hospital at Montreal for several months and had undergone two or three operations. I visited him frequently in his last days, and in the moments of ease from pain he expressed himself as hopeful of acceptance with God through the merits of Christ. An interval of a month and Nelson Carson died at the age of forty-three years. Last of all, I have to record with sorrow the death of an old and kind friend indeed, in the person of widow Mary Denison, of Denison's Mills, at the great age of ninety-eight years, seven months and eighteen days. Although she had been a sufferer for a long time, her end was painless and peacefu. It was very gratifying to hear the ungrudging testimony to the hospitality and warm-heartedness of the deceased. Although the old legend, "good entertainment for man and beast," is not written over the Denison's front door, every visitor to that hospitable house will gladly assent to its truth.

In January the agent for the S. P. C. K., the Rev. H. Gomery, paid us a visit; but a dark night, bad weather and bad roads resulted in a small congregation; but the agent, unaffected by the scanty attendance, gave us his best in an interesting address on the work of the S. P. C. K. on this Continent, and especially in Canada, from the first settlement of the Church on these shores. To the collectors, those young ladies who collected for the Church Society, and those young gentlemen who collected for the Robert Hamilton Memorial, I tender my heartiest thanks.

This fall our stable has been repaired with new sills and flooring, and put to rights generally. I want to thank all those who came to help, some giving two and some three

days' work gratis, a great thing for men who have quite enough to do at home. The cost for materials and extra work was about $45. Thanks, too, are tendered to all who did work with teams, hauling stones and timber and sending materials.

As usual, Church-Wardens, Organists, Choirs, Collectors and many others have made things pleasant and easy of accomplishment by their readiness always to give a helping hand. The kitchen at the Parsonage has been newly ceiled with narrow boards over the plaster. Our thanks are due to the Church-Wardens for this really good work.

Through the kind assistance of the Archdeacon we are in possession of a good Sunday School Library. We subscribed $25 and the S. P. C. K. kindly gave us $50 worth of books for that sum. On receipt of the books I sent a letter of thanks to the Society through the Secretary.

Miss L. Jebb, on the occasion of her marriage, received from the congregations of St. Paul's and Christ Church the sum of $18.50 as a token of good-will. Miss Gertrude Sykes received a gift of $10 from the congregation of St. Paul's in recognition of her services since Miss Jebb's retirement.

LABRADOR.

St. Clement's Mission.

The Rev. George Pye reports :—

The work in this Mission has been rather harder on the Missionary than usual for two reasons. The absence of the Deacon from the staff has given the Priest extra duties; the Missioner, having to travel alone over the whole distance, which includes the western portion annexed to the old Mission, when the Deacon was added to the staff. I have tried to keep up the work of the two and no doubt have failed in the duty of the one; but by the help of Almighty God I have made the two regular trips over the whole Mission, which are as follows :—Early in January I set out with my own cometique and dogs from Mutton Bay, on my eastern journey, going as far as the east side of Forteau Bay, in the Newfoundland Dioceses of Labrador, but not without much difficulty, as the weather during the winter months was very stormy, the cold very severe and the travelling very bad. After spending a few days in that Diocese, I returned to Mutton Bay, and again set out on my western trip, calling and remaining a few days at Harrington Harbour, so as to travel in company with the mail to Natashquan, where I enjoyed two days with one man, and returned again to Mutton Bay after spending Holy Week and Easter Sunday at Harrington Harbour.

As soon as the ice cleared away I equipped my boat—the "Evangeline"—and took my departure from Mutton Bay to visit the western portion, especially that beyond Natashquan. I made the journey, some distance by boat, more by schooner, and the remainder on foot to Sheldrake, and back again to Mutton Bay. After a few days I proceeded on to Blanc Sablon and returned to Mutton Bay

the middle of August, where I stripped my boat, had her put away, and then left by schooner for a holiday.

After the absence of four weeks I was landed at Sheldrake and travelled on foot to Mingan, thence by schooner to Mutton Bay, where I am now waiting for a schooner to proceed on to St. Paul's River for the first part of the winter.

Our staff of teachers, mentioned in last year's report, did a good work for Christ and His Church at the different stations during the greater part of the year, and have returned to their labours with the exception of Mr. C. Rothera, whose place is filled by Mr. J. E. Cogswell.

Our people have noticed the great difference of Missionary work done on the Coast this summer compared with that of last, as last season we had the pleasure of our Bishop's visit, the Rev. James Hepburn, his Chaplain, the Rev. J. Almond, Missionary in charge, and myself, whereas I have been single handed this summer, or what some of our people call cross handed. We are looking forward to next year with pleasure, when we hope to see and have the same number with us again.

I am glad to be able to report that the fishery has turned out rather better than expected when I left the Coast in August, and so we are looking forward to a more cheerful winter; but last summer being such a total failure in the centre of our Mission, the people are not going to be able to make both ends meet, if they pay up what they went behind last year I here wish to thank the Very Rev. Dean Williams and the Rev. E. A. Dunn for interceding and procuring from the Government a few barrels of flour, which I know will be needed before the long winter is passed.

During my holiday the Mission received two very helpful and useful gifts: The Church at St. Paul's River, built by the congregationalists, was transferred to us, and a new Mission boat, now at Murray Bay, given by Mrs. Ed. Blake, of Toronto, which I value very highly and believe to be a "God's send," as I have been trying in different ways for the passed year to get a more suitable boat, when this charitable gift came quite unexpectedly. This teaches us to remember that "all things work together for good to them that love God."

Our work in the western part of the Mission has been very encouraging, and also at Harrington Harbour, where

we have a new school standing near the Church now ready for use, which has already cost eighty dollars ($80.00) apart from the labour given by the people Three brackets with six hanging lamps have been added to the lights in the Church. I wish to thank Mr. Norris of Quebec, for giving these under cost, and Mrs. D. Bobbitt, one of our people, for collecting the money required for their purchase.

A second school is in building at Mutton Bay, which we hope to have ready for use next May. A third school, spoken of for Old Fort Bay, has turned out a failure, which shows that the Missionary has not all peace and sunshine. He prays that God's Holy Spirit may touch the hearts of these people and rouse them to do something, so that a good work may be done among them some day, for without a building one is unable to make much progress.

In conclusion, I wish to take this opportunity of thanking my Church-Wardens, Messrs. Daniel Bobbitt and Fred. Jones, of Harrington Harbour; John Yarn and Thomas Buffet, of Mutton Bay, for the deep interest taken in the welfare of the Church and Mission. Also, the Lay Readers, Messrs. George Organ and John Bobbitt, for keeping up the Sunday Services in our absence. Lastly, the Sunday School teachers who keep up their good work among the young. May this good work continue and grow for the cause of Christ and glory of His Name.

LAKE ST. JOHN MISSION.

The Rev. E. A. Dunn reports:—

Since the departure of the Rev. J. Almond at the end of October for South Africa, where he is serving as Chaplain to the first Canadian Contingent, I have taken temporary charge of this portion of his work. Consequently, it is difficult to offer much of a report.

The monthly visits for Sunday Services have been paid regularly. During the time spent on the Reserve by the Indians, who came down in smaller numbers than usual, Mr. Almond and a friend camped near the Church and held continual Services. At the Hotel Roberval also, with the kind permission of the manager, Mr. H. G. Beemer, Service was conducted every Sunday during the season. The Pointe Bleue Church, which was clapboarded rather more than a year ago, is soon to receive a much needed coat of paint.

LEEDS.

The Rev. J. Rothera reports:—

Divine Services have been conducted on much the same routine as formerly. In St. James' Church, Leeds, morning and evening Services have been said with few exceptions. A monthly Celebration of the Holy Communion during the year and on the Great Festivals of the Church, which have been well attended. Special week-day Services have been held during Lent and Advent seasons. The attendance at these Services, I am sorry to say, was not very good.

The Sunday School has been conducted through the summer months with the help of four teachers. The scholars, teachers and parents enjoyed a delightful pic-nic at Wilson's Mills through the kindness of Mr. W. Wilson, who is a teacher in the Sunday School, to whom our thanks are due; also in connection with the S. S., a most successful Christmas Tree was held at the Parsonage; Mr. Delves acted as Santa Claus, to the delight of the children.

A new organ of excellent tone was placed in the Church for Easter Day, which was purchased through the Bishop at a reduced cost; it adds much to the rendering of the Services.

The Woman's Auxiliary and Ladies' Aid have met regularly and have done good work. The Woman's Auxiliary sent a bale of clothing to the West, through the St. Matthew's Branch of the Woman's Auxiliary. The Ladies'

Aid have done much to improve our own Church and to keep it clean and in order. They have undertaken to find the shingles to shingle the north side of the Church in the spring. This little band deserve our praise and thanks for their devoted self-sacrificing work for the Church, which will not lose its reward if done for Christ. The Church was appropriately decorated for the Harvest Thanksgiving and Christmas Services.

Our esteemed Bishop came to this Mission on November 28th; His Lordship confirmed three adults at St. Giles. Next day three candidates were presented for confirmation at St. Sylvester, and the same day in the evening, at St. James', Leeds, the Bishop gave his second Lecture on Church History, which was listen to with great attention.

St. Matthew's, Beattie's Settlement.—Divine Service has been held here every Sunday with a few exceptions, supplied alternately by the assistant of Ireland, Mr. Tanner, student at Lennoxville College, and the Clergyman at Leeds. The Holy Communion is administered once a month. On July 16th an Entertainment was held in a barn kindly loaned by Mr. Wilkin. It was a success, considering that the weather was wet.

A stable has been built, which will accommodate twenty horses, for the use of those who have to drive to Church. It was greatly needed and will be a boon in stormy weather.

St. Sylvester.—Service has been held in the Church every Sunday, excepting during the winter, when three Services a month are given. Holy Communion is administered once a month. Sunday School has been efficiently carried on during the summer from May to November, by Mrs. A. D. Ross, a service for which we are much indebted.

St. Giles.—Services are held once a month. The people here are few in numbers, and most of them live long distances from the Church.

Week-night Services have been held at Nelson's School House and Wilson's Mills. The attendance has been good.

I desire to thank the Rev. J. Kemp for his kind assistance, and also the Church-Wardens, organists, Sunday School teachers and collectors of the several congregations for their aid.

LENNOXVILLE.

The Rev. Dr. Scarth reports :—

The Church tower, to which allusion was made in my report last year, has been completed, and, in the opinion of competent judges, adds very greatly to the appearance of the Church. I cannot express too warmly my thanks to the Misses Mackenzie, who, with the exception of some $140 raised in the Parish and a handsome donation of $75 from Mrs. G. D. Phillips, of Montreal, have borne the whole expense of the work.

It gives me very great pleasure to be able also to report that the "Parish Hall," which was looked upon as little more than a dream last year, is now an accomplished fact. At our Easter Vestry meeting it was resolved to make an effort to see what could be done. At a subsequent meeting of the Vestry and Congregation a number came forward and subscribed liberally; and two ladies were appointed to canvass the Parish, and so energetically and perseveringly did they do their work, that on the report of their success an efficient Building Committee was appoint-

ed, plans were prepared by Mr. Burge, the People's Warden, and the work let out by contract to an excellent workman, and it is now complete. The contract price was $1,850; there will be some few extras, such as putting in electric light and providing the necessary furniture. Upwards of $1,600 were subscribed in the Parish, of which over one-half has been paid in to the Treasurer. The remainder is to be paid in two annual instalments. His Lordship the Bishop of the Diocese has given us a liberal subscription of $30 and a Friend $5. These are the only subscriptions outside the Parish.

The ordinary work of the Parish has been carried on throughout the year without interruption. We held our annual Harvest Home Service on the evening of September 28th. The Church was beautifully decorated, and the Venerable Archdeacon Roe preached an eloquent and patriotic sermon to a large and attentive congregation.

The Special Lenten Services were unusually well attended this year, and the number of communicants on Easter Sunday was one hundred and eighty-five.

The Guild and the Woman's Auxiliary continue their good and useful work, the ranks of both being well filled. The former reports $86.89 for work in the Parish, and the latter $39.59 for Mission work. The house-to-house collection shows less then last year, $50.20. This is to be accounted for partly by the absence of one or two regular subscribers, and from a few others thinking that they had had so many calls they could not afford it, and partly from the fact that no subscriptions were asked for (as had been the case for the last fifty years) from anyone connected with School and College.

On Sunday, the 19th November, the Lord Bishop administered the rite of Confirmation to thirty-two persons, all of whom, with one exception, made their first Communion the following Sunday.

LEVIS.

The Rev. I. M. Thompson reports:—

The Services, both on week-days and Sundays have been carried on without a break. The attendance for the year has not been so regular or so large as upon previous years. This was owing partly to removals, and partly to the fact, that during last winter we had a great deal of sickness. At the Celebrations of the Holy Communion, the attendance has been very regular, and quite as large as one could expect under the circumstances. We have lost by removals, several devoted Church people, amongst whom we may mention Mr. James King and family, Mr. Herbert Compson and Mrs. John Shaw, and several adults.

Cottage Services have been regularly held at Mr. George Findlay's, Hadlow, with a fair attendance. The members of the Ladies' Guild have continued their labours with unabated vigour, and have added to their funds $37.79, and have given $20 towards paying the insurance on the Church and Rectory. The members of the Woman's Auxiliary, though few in numbers, have been as devoted as ever, and have realized from their work the sum of $32, which has been sent in either money or clothing to Clergymen in the Mission field.

Our Sunday School, which has a roll of fifty-five scholars, is still under the careful management of Mr. George Addie.

There are not many Laymen in the Diocese, who have done more for the good of the rising generation than Mr. Addie has done during the many years that he has presided over the Levis Sunday School. Everyone knows that Mr. Addie is a very busy man, yet he finds time to prepare, Sunday by Sunday, useful lessons on Church doctrine and Bible truth for his class, which older people would be pleased to hear. He has as assistant teachers, Mrs. James Hamilton, Mrs. T. A. Poston and Miss Edna Thompsen.

Our thanks are due to the Venerable Archdeacon Roe, of Richmond, and the Revs Messrs. Scott and Etherington, of Quebec, for valuable assistance.

The Church-Wardens report that the finances are in good condition, all debts paid, and a nice sum on hand for renewing the fences around our grave-yards next spring. This amount was largely the result of a Lawn Party, given by the Ladies of the Congregation. It is not too much to say that the whole Congregation regretted the removal of

Mr. James King, our faithful and painstaking Warden, and his devoted wife, both of whom were always ready to give either their money or their labour, when the Church required help.

We are very much indebted to Mr. John Brown for his self-denying labours as Church-Warden, extending over a period of years. Mr. Thomas Morrett has kindly consented to fill the vacancy made by Mr. King's removal until Easter. I cannot close this report without thanking Mr. M. W. Hamilton for much valuable assistance, and Miss Nuttie Piton for her faithful and untiring services as organist, and all the members of the choir. Also the Church Helpers for making collections for the Church Society, and Mrs. Brown for her unwearied care of the Communion Vessels and Linen, keeping them so bright and clean, for the due Celebration of that most Holy Service.

LIVERPOOL.

The Services in this congregation have been kept up during the year with unfailing regularity, and without any variation from the plan adopted seven years ago, except a few additional Services during the last Lenten season. The attendance, notwithstanding our reduced numbers and the distances which many of our people have to drive, has been very good and fairly regular. We have lost during the year by removals twenty-seven persons and by death two. Mr Henry Sample (for some years our Church-Warden) and his family, Mr. Robt. Brown and his family, Miss Lynch and Ernest and Gordon Buchanan have gone to Montreal, Mr. Lowson and family to Quebec, and Miss Mary Brown, our devoted school teacher, to Minneapolis. It is not likely that any of these persons will ever come back to

reside in Liverpool, but we are glad to know that they are all attending the Services of the Church in their new homes, so that our loss is a gain to the Church elsewhere.

Services have been held at St. Henri, Belair and Chaudière Mills every three months. Owing to the reduced number of Sunday School scholars it was thought well to change our Sunday School into a Bible Class, with a view of including some of those who have outgrown the ordinary Sunday School age to come together for instruction. Through the faithfulness of the Superintendent, E. H. Wade, Esq, and Miss Atkinson, whose self-denying labours are highly appreciated here, quite a number of young people attended the classes.

A new roof has been put upon the horse-shed near the Church, so that all our Church buildings are in good repair.

It is my painful duty to record the death of Mr. Gilbert Downes, of St. Henri, a very devoted and faithful member of Liverpool congregation. Also the death of Robt. C. Brown, of St. Romuald, who was taken away in the prime of his manhood. It was with sincere regret that we parted with Miss Mary Brown, our successful school teacher, but we are pleased to know that Miss Maggie Brown has taken her place, so that we have not only secured the services of a good teacher, but we have kept one of our own people with us. I am indebted to the Venerable Archdeacon Roe, and the Reverends Messrs. Scott and Etherington, of Quebec, for assistance during the year.

I cannot conclude this report without acknowledging with gratitude the many kindnesses received from my people during the year. To our devoted Church-Wardens, Henry Atkinson, Esq., and E. H. Wade, Esq., I am indebted for much sympathy and hearty co-operation. To our Bible Class teachers, Church Society collectors, and to Miss Ethel Atkinson, for her faithful services as organist, and to all the members of the Choir my sincere thanks are due.

MAGDALEN ISLANDS.

Summary of reports furnished by Rev. J. Prout, Missionary, and his Lay Reader:—

Grindstone.—This is the headquarters of the Mission. Services have been held regularly, as in 1898, except during my few weeks' absence in Quebec, when through a misunderstanding some of the other Islands received more attention and Grindstone less than usual.

The Services continue to be well attended and apparently much appreciated. The responding is hearty. We have a goodly number, too, in attendance at Sunday School.

Our little Church was prettily decorated for Christmas, and the Service bright and hearty on that glad Festival. Our good people, always ready to help in any work calculated to promote the Master's cause, are now preparing for a Christmas Tree, and a little later, for a Parochial Concert. Our Parsonage has been painted at a cost of $70, an amount most kindly given me by friends in Quebec. We have also had twelve acres of cultivated land belonging to the Parsonage, enclosed by a new fence, and otherwise improved.

Grosse Isle.—A Lay Reader is here at work under Mr. Prout's supervision, who holds Services on Sunday, and teaches school throughout the week. Mr. Prout notes a great impetus given to Church life and religious earnestness. The Church edifice itself has been rendered more worthy of its lofty purpose by the offerings of devoted hands and hearts. Amongst the internal improvements, Mr. Prout speaks of a new Altar Cloth, Chancel carpet, Episcopal chair, new lamps and matting for the aisle, as having been provided during the year, and the seats painted. The Lay Reader speaks of Services held twice each Sunday and on the greater Festivals. He bears wintess to the deep and increasing appreciation of their religious privileges shown by the people generally, the average attendance at Church being about eighty, and when fishing schooners are in port often reaching to one hundred and thirty. He bears witness also to the cheerful and liberal manner in which the people contri-

bute towards the support of their Church, quoting the instance of some, living at a distance, who had already given what appeared to him a reasonable sum, and a few weeks later sending double the amount of their first offering, with the expressed conviction that they could not do too much for God and His Church. He tells of a beautiful Altar Front worked by Mrs. James McLean and Mrs. Edward McPhail, and of much valuable work given by Messrs. Howard McPhail and James McLean, the Misses McPhail, Clarke and others.

On certain Sundays appointed for the Celebration of the Holy Communion, Mr. Prout and his Lay Reader exchange places. This involves a drive of fifty miles for each, and for the Lay Reader, who has to be back at Grosse Isle for his school on Monday morning, a drive of twenty-five miles after his evening Service at Grindstone.

Forty-eight pupils are in attendance at the day school at Grosse Isle. The school has been inspected by Mr. Norman Clarke and a gratifying report given. The Lay Reader and School Teacher for the year ending July, 1899, was Mr. David Curran, at present attending Bishop's College. Mr. Wurtele has been taking duty since Mr. Curran left.

On the whole the work here appears to be progressing very favourably.

Entry Island.—There are evidences here, too, Mr. Prout says, of the quickening of religious life, if the spiritual life may be gauged by outward zeal in Church matters. Like their fellow-churchmen of Grosse Isle, the people here have done much during the year to improve and adorn their Church edifice. A new stone foundation has been placed under the building, and a new Altar Cloth, Chancel carpet, and matting for the aisle, provided. Much indebtedness is expressed to Mrs. Hunter Dunn, of Bishopsthorpe, for a bale of clothing for the poor; and to the following gentlemen for pecuniary aid towards the stipend of the Lay Reader, viz.: Wm. Leslie, $25; A. Van Barmveldt, $10; Neil McPhail, $5; D. Geddes, $3; Norman Clark, $1.

MAGOG.

The Rev. R. W. E. Wright reports :—

The following is a brief report of the work done in this Mission during the past year :

Magog.—The Services have been kept up as usual in St. Luke's Church and a few added,—Celebrations of the Holy Communion every Sunday and Holy Day, and Matins and Evensong on Sundays, and a short Service with address on Friday evenings.

During Advent and Lent special Services were held. Last Lent there was a daily Service on Wednesdays and Fridays in the Church, and on the other days of the week in the Guild Room, which was fitted up appropriately for the occasion. The attendance at these Services was most gratifying and encouraging. On Easter Day the number of communicants was greater than that recorded in any former year. I am glad also to be able to say that the number of those who communicate regularly is slowly but surely increasing, a fact which pleases me more than anything else in connection with my work

The attendance at all Services has been good, and I especially note that the number of men at the Evening Service on Sundays now very often exceeds the number of the opposite sex, a rather uncommon occurrence.

The different Guilds and Societies in connection with the Church are doing good work, especially the Brotherhood of St. Andrew, which, though very small numerically, makes the result of its work very evident.

We have lost during the year quite a number of Church families by removal, and this has greatly affected the financial side of the Church work, though by harder work we have so far met all obligations without much difficulty.

This Fall the electric light was installed in the Church, and has proved a complete success and brightened up the Church building wonderfully. The money required was collected by the Woman's Guild.

The Lord Bishop visited the Parish on Sunday, October 29th, and confirmed 13 persons, all of whom have become Communicants.

The debt for Parsonage repairs has now been reduced to about $136.00, and the Woman's Guild hope to clear this off before next Easter. We have received as gifts some most welcome additions to our Church ornaments in a second pair of brass Altar Vases and a red dossal and fixtures.

Cherry River.—Services are held in the School-House two Sundays out of three at three o'clock in the afternoon. The Services are hearty and bright, but not attended as they ought to be. Unfortunately there seems to be a lack of interest in Church matters in this section of the Mission, which seems very hard to overcome.

Castlebrooke.—Services are held in the School-House every third Sunday at three o'clock in the afternoon. The attendance is good and a real interest seems to be taken in the Church Services. This Fall an old shed was given by one of the congregation to be used as a horse-shed; others got together and moved it to the School-House and repaired it, and it is now in use and fills a long felt want.

I wish, before closing my report, to take this opportunity of thanking all of my Helpers in the Parish.

As Baptisms are said to be a proof of progress, I wish in conclusion to draw attention to the number registered this year, viz., 44.

Baptisms, 44; Confirmed, 6; Marriages, 6; Burials, 16.

MALBAIE.

The Rev. G. R. Walters reports :—

It really seems hard to find material for a report that should be not only interesting to those who read the work of our Church Society, but one that should be encouraging to the Diocesan Board, to whom we are indebted year by year for continued support Here in Malbaie I am afraid I cannot speak of increasing congregations. This is owing to the constant exodus of our young people, who are tempted to leave us in search of employment elsewhere. This steady drain upon the Church's young life is sorely felt in many ways ; and especially as it has affected the size of our congregations and the heartiness of our responsive worship. Sunday and other Services have been maintained as usual throughout the year at our three stations, and the attendance has been as satisfactory as could have been expected during the summer months, and fairly good in winter. I am glad to be able to speak encouragingly of the number of men who come, and come with some degree of regularity to the Celebrations of the Holy Communion. Sunday School has been conducted regularly. The number of children in attendance has not increased, but the regularity of those who have attended has improved. One could much wish that parents generally realized more fully their duty and responsibility in connection with this matter. A Sunday School pic-nic was held in August last at Point St. Peter, at which indeed all the young children in the Mission were present. It was a happy and enjoyable event.

A new organ has been purchased for St. Peter's Church, Malbaie. For this we are largely indebted to Mr. and Mrs. Collas, but we thank also all who contributed thereto.

Our Parsonage Fund is quietly, but steadily growing. This year again a nice little sum, the proceeds of sales, etc.,

has been added to the Fund. Our good friends at Corner Beach helped us very materially. To every adult Protestant in this Mission has notice been sent requesting him kindly to furnish a certain amount of material for this long talked of Parsonage.

It is a matter of satisfaction and thankfulness to me that our Church-Wardens have signed the new agreement for increased assessment. It was not, however, without much consideration and speculation as to their ability to meet it, for we have lost, not by removal alone, but by death several valued members and faithful Church supporters during the year. Twice during my absence the Rev. Mr. Richmond, of Gaspé, most kindly conducted Funeral Services for me.

In conclusion I desire most heartily to thank the Church-Wardens of our several stations for their efficient work and for many kind services rendered to me personally. I wish also to thank all our Church workers.

Baptisms, 30; Marriages, 6; Burials, 13.

METAPEDIA.

This district borders on the Province of New Brunswick and is intersected by a river of the same name, and also by

the I. C. R. There are a few scattered Church families, living for the most part along the line of rail and on the banks of the river for a distance of about thirty miles. Far removed from any Mission within the Diocese of Quebec, they are most kindly looked after by the Rev. J. Spencer, Incumbent of Campbellton, N. B. In a brief account of his work within our borders, Mr. Spencer says: —

During June, July and a part of August the Very Rev. Dean Hoffman, of New York, conducted a weekly Service at Metapedia. Dr. Hoffman is a member of the Restigouche Salmon Club, and usually spends six or eight weeks each summer at the Club at Metapedia, and when he does so invariably conducts a Service on the Sunday. Needless to say his services are very highly appreciated and attended by large congregations.

I have, as heretofore, done all I could to minister to the scattered Church people in your Diocese, and I have given the attention I have felt they ought to have. Scattered as they are from Oak Bay Mills to Deeside, on the river bank, a distance of thirty-three miles, and on the line of the I. C. R. thirty-five miles from Campbellton, a good deal of time is necessarily spent in reaching them all. I have, however, visited every family four times during the year, and have given a monthly Service in their homes to those so far removed as to be unable to attend the Churches.

Number of Services held, twelve; Celebrations of Holy Eucharist, four; Catechising of children, nine; Confirmed, one; Baptisms, two; visits to ten families, forty; Families removed, one; amount of offerings at Services, $13.60; cost of travelling by road and rail, $8.40; amount to credit, $5.20.

MELBOURNE.

The Rev. Ernest A. Willoughby King reports :—

Period—Advent, November 27th 1898 to July 31st 1899.—Services as usual and regularly, with exception of four at out-stations only. Sunday School instruction resumed in spring. Visiting was for some time mainly confined to the sick, owing to the Incumbent's dislocation of shoulder, and yet five hundred and seven recorded visits were made within the year. January 2nd, Rev. H. Gomery, S. P. C. K. agent, paid a much-valued visit. May 27th and 28th, visitation of the Lord Bishop. At St.

John's five, in St. Saviour's six confirmed, and address after Evensong at the Quarry School-House by His Lordship.

Parsonage—fencing, pursuant to the Lord Bishop's instruction, and other improvements were provided for through the Incumbent and by special funds.

Collections for Church Society and other purposes during a part of the year, whilst still in charge, were duly recorded in Vestry books, and will, doubtless, be reported in the financial statement for the whole year; also, the number of entries in the Parish Register.

Since last report $316.20 were secured before appointment to another charge, and in order thus to free the new Church on the Ridge from every pecuniary obligation then existing. The Church land was carefully surveyed and marked off. In this a free-will offering of his professional services was made by Mr. F. A. Cleveland, P. L. S.

Anonymous gifts, fees remitted, and discounts on bills amounted to $31. Here let me name Messrs. Williamson and Crombie, G. A. LeBaron, Notary Fraser, H. Miller, J. Bédard, J. Beard and J. Walker.

Donors outside of Mission—Miss R. Hamilton, S. Carsley, Dr. Howe, Mayor Wilcocks, Miss I. Hamilton, Joshua Thompson and Edwin Jones—Total $82. Other sums, $13.74; Church Society, $100; making $195.74; which sum, with $120 46 collected within the Mission, accounts for the $316.20 above named in reference to St. Saviour's Church. By adding to this $417.77, as detailed in last year's report, then the total, $733.97, will represent all the money-value of the Church, for which I was responsible, and apart from the gift of land, materials and work, devoted to the new edifice. "*Laus Deo.*"

The Rev. C. T. Lewis reports:—

In presenting my first report I trust that it may not be considered inappropriate in expressing my deep gratitude for the many kindnesses that my wife and I have received, on all sides, since taking up my residence in this Mission. To the Venerable Archdeacon of Quebec, to Rural Dean Hepburn, to my own parishioners, one and all, and to many of St. Anne's congregation I tender my very sincere thanks for the right hand of fellowship extended, and for manifestations of genuine kindness.

Upon my arrival at Richmond Station on September 2nd

I was favored by being met by the Archdeacon of Quebec and Rural Dean Hepburn, together with the Rev. E. A. W. King, my predecessor, and Mr. O. Burt, Church-Warden of St. John's, each of whom gave me a cordial and hearty welcome.

On the following morning, Sunday, September 3rd, I was formally introduced by the Archdeacon in St. Saviour's Church, Melbourne Ridge, this being the regular Sunday of the month when the Holy Communion is administered in this Church. The Archdeacon acted as Celebrant. There was a congregation of forty-nine. In the afternoon Service was held in St. John's Church, when the Archdeacon introduced me to this congregation. There were forty persons present, amongst whom were Rural Dean and Mrs. Hepburn, and Arthur Wilcocks, Esq., who very kindly escorted the Archdeacon, driving him from one Church to the other. At each Service the Archdeacon addressed the congregation. His words of affectionate counsel and advice to them and the new Incumbent were listened to most attentively, and I trust may be the means of bringing forth much fruit.

I cannot speak too highly of the treatment that I have received at the hands of my parishioners. The St. John's congregation have been more than anxious to display their loyalty and friendship to their Clergyman, and further to show their affability by many acts of kindness. With the Archdeacon's thoughtful suggestion they readily agreed, and the result was that they voluntarily hauled my household effects from Richmond Station to St. John's Parsonage. One man from the Ridge congregation also generously gave similar assistance. Appreciated, valuable and helpful assistance was given to Mrs. Lewis by the ladies of St. John's congregation in getting things settled in the Parsonage. Kind hospitality was provided whilst getting furniture unpacked. The congregation, not satisfied with these tangible expressions of good-will and friendship, subsequently invaded the house and took possession, and after spending a most enjoyable evening, retreated to their own homes, leaving us with a well-stocked larder and cellar. In the affray the horse was not forgotten by the besiegers, some of whom were told off to attack the oat bin with bags of oats and then retired with empty bags only.

The Ladies' Guild of St. John's has been revived and reorganized. Already they have accomplished some work

and displayed their earnestness and desire to further the interests of the Church in their midst. The sum of about $80 was placed in the Bank by Mrs. Mathias nearly two years ago. Upon the reassembling and reorganizing of the Guild this money has been handed over to the new Secretary-Treasurer, Mrs. James Newell. The Guild members are to be congratulated upon having obtained sufficient money with which to procure a bell. Extra credit is due to Miss Beatrice and Mrs. Mathias for having contributed $19 towards this object by obtaining donations from their immediate friends and acquaintances outside of this Mission.

The three Sunday Services have been conducted in the same order as arranged by my predecessors. It is under contemplation to arrange Services so that the Communicants at New Rockland may enjoy similar ministrations that their brethren are receiving in other portions of the Mission.

A Sunday School, of which I take personal charge, is held before Service on Sunday mornings in St. John's Church. Miss B. Mathias and Mr. O. Burt kindly assist.

At St. Saviour's, Melbourne Ridge, I have established a Bible Class and Choir Practice on Wednesday evenings. A Choir Practice is also held in St. John's Church on Friday evenings. Miss Greenwood faithfully discharges her duties as organist in St. Saviour's, whilst in St. John's a staff of organists play in turn.

The financial position of both St. John's and St. Saviour's congregations appears to be in a healthy and satisfactory condition. Of the New Rockland cougregation similar expressions can hardly be said. For nearly two years the rent of the School-House (owned by the Quarry Co) has been unpaid. The congregation has been threatened by the Manager, that unless the amount of rent due is paid forthwith, that they will be prohibited from using the building. They are also owing their organist's salary. To make matters worse many of the Church people, who were liberal contributors, have removed. Notwithstanding these gloomy facts, we can take heart and fresh courage. Miss Dunn, a Presbyterian, has kindly volunteered her services as organist in future; the Diocesan Board has reduced the assessment to $25 per year, whilst Mr. Arthur Wilcocks, who takes a deep interest in this congregation, has most generously and liberally contributed $10 toward

meeting present emergencies. The Wardens, thus encouraged and materially assisted, are endeavoring to wipe off all indebtedness by the end of December.

The vexed question of the fence at St. John's Parsonage, which in the past seems to have caused so much friction and heart-burning, has, I am thankful to say, been settled by the congregation in a most amicable manner.

Improvements continue around St. Saviour's Church. The exterior of the edifice has received, within the last few weeks, the completion of its first coat of paint. The ground has been slightly levelled, and the remaining posts have been put in to enclose the Church property. Wire has been ordered. Within a short time the grounds and cemetery will be closed in. To complete the interior of the Church, as designed by my predecessor, will cost $200, a sum rather prodigious for a congregation such as this. Sheds for the horses are sadly needed. To leave horses out in the wet and cold in such a bleak and unsheltered situatiou would be encouraging cruelty to animals.

September 20th was observed as a Dedication Festival in St. Saviour's. The Holy Communion was administered during the Morning Service, when the Archdeacon acted as Celebrant, and preached a most carefully prepared, intelligent and instructive sermon appropriate for the day. In the evening the Rev. E. A. W. King gave an extremely interesting and lucid address upon St. Saviour's, Southwark. Mr. King, at the outset, announced the pleasing fact that the Church wherein the congregation was assembled was entirely free from debt, so far as it had been completed. Rural Dean Hepburn, in some well chosen words, briefly addressed the congregation.

We owe a debt of gratitude to Mr. Arthur Wilcocks for his valuable and kind assistance in conducting Services in the Mission during the month of August, my predecessor having resigned on July 31st.

The oldest parishioner, Mrs. H. McKee, aged ninety years, entered her rest on October 24th. Her mortal remains were interred in St. John's Cemetery on October 26th, 1899.

The subjoined statement has been necessarily compiled from figures by my predecessor, the Rev. E. A. W. King, to whom credit is due for the business-like manner in which he kept his accounts.

MONTMORENCY AND LAKE BEAUPORT.

The Rev. E. A. Dunn reports:—

Montmorency.—It would be difficult to point to any special sign of progress in the work here. Still, we trust, that there is a continual, though but gradual growth of Church life. The Sunday Services have been held regularly with fair congregations, but the attendance at the monthly Celebration of the Holy Communion is far from what it ought to be, and without this we cannot prosper very much. Last Easter the Envelope System was introduced for the support of the Church, and it has met with very fair success. The Sunday School has been maintained with good results through the kind help of our organist, Miss Moore. I regret that the total amount of our collections and offerings in behalf of the funds of the Church Society is not quite as large as in the previous year. We will try to remedy this falling off, for which it is not easy to find any reason, in the future.

Lake Beauport.—Although only a fortnightly Service is promised to this congregation, yet during the year thirty-

five Sunday Services have been held, and this increase in the number of Services has, I feel, been met by a slightly better attendance on the part of the people. The horse-shed, mentioned in previous reports, is now practically completed, and the new organ is shortly to be ordered. We had both a concert and a variety entertainment in the summer months, which were well supported in every way by our visitors, the proceeds being devoted, partly to the paying of the insurance on our Church for three years and partly to Church repairs and improvements.

I desire to thank all, at either place, who have assisted in the Church's work, by their time, their talents or their prayers, and I trust that with God's blessing the year 1900 may be for us a year of earnest devotion and steady progress to the glory and praise of God.

MURRAY BAY.

Dedication of the New Church of St. Anne.

On Wednesday, July 26th, were realized the long cherished hopes of many earnest and devoted members of our Church, summer residents of this attractive watering place. Feeling the need of more Services and especially of more frequent Celebrations of the Holy Communion than they were able to obtain in the "Union Church," these good people obtained the consent of the Lord Bishop of the Diocese to erect a little Church at their own expense—the

land and edifice to be deeded to His Lordship and placed entirely under his control—where they might enjoy the religious privileges to which they had been accustomed and which the church so generously provides for. Ground was broken on 26th June, and one month from that date a plain but pretty little Church, well appointed and well furnished, and capable of holding one hundred people, was solemnly dedicated to the Service of God under the name of "St. Anne." The Service of Dedication was performed by the Lord Bishop of Ottawa, acting under a special License from the Bishop of Quebec (at that time in England). Very beautiful Altar Vessels and other requisites for the due administration of Divine Worship were consecrated to God's service after Evensong on the previous day. The early Celebration of the Holy Communion on the 26th was taken by the Rev. A. J. Balfour, whom the Bishop of Quebec had appointed Priest in charge for the season. The Service of Dedication began at 11 o'clock. The little Church was filled to its utmost extent. Whilst a processional hymn was being sung, the Bishop and Clergy, duly robed, walked around the exterior of the Church and entered by the western door. Here, the hymn being ended, the Bishop called upon the Rev. Mr. Balfour, as Rector, to read the commission from the Bishop of Quebec under which he (the Bishop of Ottawa) was acting. Then followed the impressive Service of Dedication, the first part in the Nave, the concluding portion within the Sanctuary. This Service was followed by a hymn and the Communion Office, the Lord Bishop being Celebrant, the Rev. Dr. Rainsford, of St. George's Church, New York, Epistoler; and the Rev. Dr. Allnatt, Vice-Principal of Bishop's College, Gospeller. The sermon, a very able one, was preached by the Rev. Dr. Parks, of Cavalry Church, New York. The Paten and the Chalice were administered by Mr. Balfour and the Rev. Abbott Smith, of the Montreal Diocesan College, respectively. The Rev. Professor Wilkinson, of Bishop's College, Lennoxville, also took part in the Service, Mr. Oliver acting as Server.

The musical portion of the Service was under the management of General Oliver, a devoted Churchman and a fine organist. He was supported by a strong choir, composed, in addition to members of his own family, of Presbyterian as well as Anglican friends. The singing throughout was most hearty. The names of those who have given

so willingly of their means and their time towards the erection of this Church, and of those who have made special gifts towards furnishing the same, are, by their own special request, not mentioned. Their offerings are purely for God's glory, and their own names they prefer to be withheld.

After the Service of Dedication, the Bishop, the visiting Clergy, and some thirty or forty friends were most kindly entertained at luncheon by Mrs. Oliver and her hospitable family.

As all the promoters of this new work, American and English, have been accustomed to an Ornate Service, and to usuages and Ritual (all authorized by the Church of England) to some unfamiliar, but to them helpful and conducive to the more lofty conceptions of Divine Worship, the Rector in charge decided at all the early Celebrations of the Holy Communion to observe the features dear to the builders of the Church; and at the late Celebrations and in the order of Morning and Evening Prayer to follow the simpler order more familiar to some others.

If any proof were wanting of the need which had existed here of a sacred edifice belonging exclusively to the Church of England where all the religious privileges which the Church has to offer could be obtained, this proof is found in the fact that from the outset the building proved quite too small. From twenty to fifty extra seats were called into requisition each Sunday; and on some occasions would-be worshippers were unable to gain any admission. One generous layman offered to bear the expense of immediate enlargement, but it was deemed wise not to take this step during the first season. In addition to daily Matins at 10 o'clock, in compliance with the expressed wish of many, the Holy Eucharist was celebrated every morning at 7.30. On one occasion only during the season did the attendance at this latter Service fall short of five. All who were present, however, did not actually communicate each day. The Priest in charge received much valued assistance from the Rev. Dr. Rainsford, of St. George's Church, New York, from the Rev. Father Lobdale, of Philadelphia; and from the Rev. J. D Tibbits, of Concord, New Hampshire. The congregation was fortunate in having as organist, after the departure of General Oliver, Professor Knox, musician and composer, of St. Paul's School, Concord. The offerings on August 20th, amounting to $71,

were given in aid of the Convalescent Home, a most admirable and well managed charitable institution and one deserving of all support here situated.

NEWPORT.

The Rev. Arthur H. Moore reports:—

One does not easily write a report of the work of the past year without stamping it with the impress made upon one's mind by the general outlook of that work at the time of writing. There is much in this Mission at this time to encourage and to cheer.

Upwards of twenty-five candidates have been receiving instruction for some time and are now prepared to be confirmed. May the visit of our beloved Bishop, to which they are now eagerly looking forward, be for them the beginning of a new life "hid with Christ in God."

The regular Sunday and Advent and Lenten Services have been carried on without interruption, and in some cases with increased attendance.

Randboro'.—While the attendance here is small, the Services are hearty and the Communion Service solemn and reverent. Miss F. Planche continues her faithful and much appreciated services at the organ. Through the energy of Mr. G. G. Hurd, Church-Warden, the exterior and part of the interior of this Church has been painted.

The Ladies' Guild bought the material, and Mr. Hurd and a few others did the work *gratis*.

Island Brook.—The congregation here has improved, and I am glad to see our young people showing their interest in the Church, despite the lukewarmness of some of the older ones. I am sorry to say that many here have yet to learn the value and help of the Lord's Supper.

The Church has been improved by adding Choir seats and a Vestry book-case. The spire has been repaired. Mr. Geo. French has built a fence around the Church grounds. The Ladies' Guild paid for the wire and for the other improvements I have mentioned, as well as sharing with the Randboro' Guild an item of $15 for Parsonage improvements.

Learned Plain and *Clifton* school-houses have, fortnightly,

Sunday evening Services. At the former place Mrs. A. F. Bowen has an excellent Sunday School in the summer. The Service is hearty. We welcome Miss V. Bowen back to the organ.

At Clifton the attendance is small, but the appreciation of the Service is real, in testimony whereof witness the sum of $50 raised here, in one way or another, during the year, for Church purposes.

Sawyerville.—The fornightly Sunday afternoon Service here has a steady and hearty attendance. An organ has been bought for this station, and the $22.50 required for the first payment was at once voluntarily given by the few families here.

Mr. Ernest Smith, Principal of the School, holds a Reader's License, and he is a most welcome addition to our choir and congregation, as well as being willing to assist me in the Service. Our Harvest Thanksgiving Services were well attended. Our thanks are due to those who preached for us. A Christmas Treat and Tree, given to over sixty children, from all parts of the Mission, last year, is still remembered among past successes. A Branch of the Woman's Auxiliary has been organized by Mrs. Moore with members in all parts of the Mission.

We trust that by the work of the Church here souls shall be strengthened and refreshed, and the great God glorified.

PENINSULA AND LITTLE GASPE.

The Rev. A. W. Dutton reports :—

Before coming here in September last, I did duty for two months in the Mission of Way's Mills and Barnston. During that period Services were held regularly in both Churches. The attendance on the whole was fairly good at Way's Mills, the average being about thirty-five, but at Barnston the attendance was decidedly poor. During my short stay in that Mission I was received everywhere with hospitality and kindness, for which I felt and still feel very grateful. I have to thank the Rev. A Stevens, of Hatley, and the Rev. H. A. Brooke, of Stanstead, for kindly taking Services and administering the Holy Communion for me.

We arrived at Peninsula on the morning of the 14th September, and on being driven up to the Parsonage by the Church-Wardens, who had thoughtfully met us at Gaspé Basin, were most kindly welcomed by several members of the Parish. The Monday after our arrival we received a visit from the Rev. H. Gomery, the agent of the S. P. C. K., who in the evening of the same day, gave a most interesting lecture on the work and aim of the Society which he represents. The lecture was much appreciated by all present.

Harvest Thanksgiving was held in St. Matthew's Church, Peninsula, on the 19th October, and in St. Peter's Church, Little Gaspé, on the 3rd November. At both Services the Churches were tastefully decorated with fruit, flowers and grain, by willing members of the Mission. The sermon was preached on both occasions by the Incumbent, and the musical portions were nicely rendered by the Choir. The collections were given to the Pension

Fund of the Diocese. The Sunday Schools, both here and at Little Gaspé, are in a satisfactory condition. My thanks are due to the Superintendents in both Parishes, and also to their assistants, for the valuable help they give in this good work. The Ladies' Guild of St. Matthew's continnes to hold its monthly meetings. Through the efforts of this band of workers matting has been provided for the Church. They are now collecting money to supply a new frontal for the Altar, which is much needed. The interior of the Church in Peninsula has been greatly improved. It is now nicely ceiled and stained; the seats also have been altered and stained, and the general effect is pleasing. The west end of the Church, however, is still waiting to be restored, and, until money is forthcoming for that object, nothing can be done in the way of extension and decoration. We hope, nevertheless, by next June, with some outside help, to gather together enough money to continue the work of finishing the Church.

Since I entered upon my duties in this Mission, Services have been held regularly every Sunday. Weekly Services are held also both at Peninsula and Little Gaspé, and on Saints' Days and Holy Days Morning Prayer is said in St. Matthew's, Peninsula. During the season of Advent special addresses are being given at the weekly Services. All these Services have been well attended, and give great hope for the future.

On the 21st Sunday after Trinity, the Rev. C. Ascah helped me with the Services, and celebrated the Holy Communion, when a goodly number received. He also kindly assisted me on the occasion of our Harvest Thanksgiving Service. The Rev. D. Horner, of Sandy Beach, has kindly consented to celebrate for me from time to time.

I desire in conclusion to thank the Wardens of both Churches, and parishioners generally, for much appreciated help rendered and kindness shown me since my arrival amongst them.

RICHMOND.

The Rev. J. Hepburn reports:—

I expected to-day to be able to report that the debt on the Church was paid. I am not able to do so quite. But the balance is small, and nearly secured by subscriptions, so that at an early day in the New Year we shall be able to invite the Lord Bishop to consecrate the building, now in use for thirteen years.

When all things are considered we have reason to be

thankful for our moderate progress. We have suffered heavily by removals from the Parish for a good many years and by frequent changes. It might be thought that if one family leaves and another takes its place there is no loss. But it is not so. Strangers do not fill the places of old friends. And it takes some time for strangeness to disappear among Church people, because, as a rule, we make friends slowly, and many of our people extend no welcome until strangers have won their way. I cannot help thinking that in this way we have lost many members in different places, for people do attach great importance to the kindness and friendliness shown to them in a new place. Several good supporters have left us this year, and we feel their loss. Especially do I mourn the departure of Mr. Spier, who proved himself a most efficient Warden—a man of sterling worth, to be depended upon under any circumstances. He never failed to be true and never feared to do his duty. There is some comfort in knowing that such a man, wherever he goes, will be a help to the cause of the Church.

But losses do not cover the whole ground. We have gained the Archdeacon—a tower of strength, even though retired from parochial care. He is very kind in relieving me in the pulpit, and I am perfectly willing for my own sake as well as my people's to receive a great deal of kindness in that line.

The usual round of Services has been kept up without a break, though I cannot say much for the attendance on week-days, Saints' Days, etc., excepting in Advent and Lent, when my life is made very happy indeed. Christmas and Easter have never failed to bring fullness of joy to us all from the manifestation of the spirit of kindness and of love, the indication of a devotion every one is blessed in seeing.

Last Easter evening, after a great deal of work and care, especially on the part of Mrs. Hepburn, a chapter of the "King's Daughters" was formed, twenty-four enrolling themselves for mutual improvement and in the interests of the Church. When the Lord Bishop visited us for Confirmation two months later, half a dozen more were admitted by him; and on Sunday next, December 3rd, ten others will be admitted in the presence of Bishop Thorneloe. The organization is intended to do good in bringing members into touch with one another, helping them to

work together in pleasantness and peace, and developing and strengthening the powers of all, making more real the bond of membership and brotherhood, and so bringing all nearer to the One Common Lord and Saviour Jesus Christ. Every experience of such an organization is not pleasing. Petty jealousy and pride too soon show themselves; but it is a real gain to bring the evils out of the heart, so that they may be killed, and not left to grow and strengthen to the destruction of all goodness within. The young people in the Church appear to me to be in preparation for positions of trust and usefulness by and bye; were it not so, there would be little to base our hopes upon. At Easter, upon the departure of the organist, two of our young ladies were chosen to play on alternate Sundays and they have surpassed our best expectations, so that the Services are very hearty indeed.

Through removal, the position of People's Warden has been vacant three times, but the business goes on pleasantly.

We had the satisfaction of a visit in summer from the Rev. Principal Rexford, of Montreal, an old friend, and he gave us a treat in an address upon "Our English Bible," with illustrations by the Magic Lantern.

The Annual Conference of the Deanery was held here in October, only one Clergyman being prevented. The Archdeacon accepted the chair, and the day was spent most happily and profitably. The afternoon session, open to the public, was bright and helpful with a fair audience. In the evening was held a Missionary Meeting, when capital addresses were delivered by three neighbouring Clergy, Reverends Blaylock, King and Lewis, and the offering was sent, as a little token, to Algoma.

The effort to pay off the balance of the debt on the Church has so engrossed the minds of the Wardens and Church helpers generally, that we have done nothing yet in behalf of the Hamilton Memorial. The debt, however, is now well nigh wiped out and we purpose immediately after the New Year to buckle on the armour and collect a sum of money of which we need not be ashamed, and a sum somewhat worthy of the noble man of wondrous generosity whose memory the Church desires to keep fresh and green.

It gives me great pleasure to report a valuable gift of books from the widow of the late Rural Dean Slack, of Montreal, who is now resident with her daughter, Mrs

Harkom. The gift is most precious from its own worth, but more especially because of the kind and thoughtful spirit that prompted it. I visited the Clergy House in Cacouna last summer and found it exceedingly pleasant and cheering, but my stay was cut short by the death of a good old parishioner. I may add that through a bequest made by this good man the Rector of the Parish will profit in years to come.

RIVIERE DU LOUP.

The Rev. G. T. Harding reports:—

It seems to me that on the whole the Church has made distinct progress in this wide Missionary District during the past year. There are, without doubt, many evidences of God's blessing having rested upon our endeavours, and evidences too, in the case of many, of a growing appreciation of Christian principles and spiritual privileges. It is true we have had losses which it was feared would injuriously affect us, and some trials heavy to bear; but God is manifestly overruling them all to His glory. By the death of Mr. John Hill, for some years a Church-Warden, and ever an enthusiastic Church worker, we have lost one of our main supporters. Nor can I refrain from alluding to the death of Mr. Ernest Lawson, of Father Point, furnishing as his case does, a lesson of more than local interest. This young man, married to a Roman Catholic, was Confirmed by the Bishop in June, and gave evidence of becoming a Churchman of great promise. His Confirmation made a very deep impression upon him, and was constantly referred to as the turning point of his life and the occasion of an unspeakable blessing to him. When stricken down with a malady he was enabled to meet his

end, not only with Christian fortitude, but with every appearance of joy and happiness. The book of devotions given him by the Bishop at his Confirmation he kept under his pillow and read day by day while strength lasted. No pressure brought to bear could induce him to change his faith. He received the last Rites of the Church, professing his faith with a holy joy not often witnessed. To his mother, sister (confirmed with him) and uncle, he frequently expressed his thankfulness for the privilege of having been Confirmed. Through the grace of God then bestowed, and spiritual refreshments subsequently received in the Holy Communion, he was enabled, he said, to go forth in perfect peace and with a glad hope. I have dwelt at considerable length upon his case because I feel it to be one not of mere private, but of general interest, as showing what a power, through His Church and by Church principles, Christ may be to us in our last hours.

Again, in October, we lost two young men, my own dear son and Walter Jarvis, who were drowned at Hare Island, opposite this place. The latter was Confirmed with young Mr. Lawson in June last. It is a matter of great thankfulness to me that both were very devout young men, regular communicants, of great help to me in my Bible Class and in other ways, and especially as setting a good example of consistent Christian life in the community. I am convinced, however, that all these troubles are being overruled for the ultimate good of the Church; and already I can see some indications of distinct blessing coming to us in compensation.

Mr. J. W. A. Jarvis has taken the place of Mr. Hill as People's Warden, and has thrown himself heartily into the work, and given promise of becoming an efficient and successful officer of the Church. This is undoubtedly a gain. And other things, which I cannot allude to here, have given me hope that God will do more still for us in the future.

A good thing, however, to notice in this connection is the increase in the amount raised for extra-parochial objects. The collectors (the Misses Harding) secured by missionary cards for the Church Society $86.70; and this, with the special collections in Church for the same object, brings the total up to $45.83, as against $30.67 for the year 1898, an increase of $15; while the total for all extra parochial objects, this year, has jumped from $56.81 to

$101.84, an increase of $45. This is very important and encouraging, as I feel it my duty to impress upon my parishioners. Here, as in most places, the cry is, that we have to raise so much to keep the Church open that we cannot do anything for outside objects. But my own experience teaches me, that a Parish never loses by giving a willing and liberal response to the calls from outside; that internal prosperity depends upon our generosity in this respect; and what we raise for ourselves will be in proportion to what we give to others. And this is surely but in accord with divine principles, such as in the precept: "Give, and it shall be given to you." Certainly, too, our affairs in the present year prove no exception to the above rule. For, notwithstanding our losses, an increased assessment, and the doubling of our contributions to extra parochial objects, things have been going well with us. The largest part of the Diocesan Board assessment has been paid, and I have good reason for believing that the whole of the balance for the year will be made up in time to be promptly paid at the end of this quarter. And besides this, we have raised the considerable sum of $126.61 for repairs on the Church and Parsonage.

I still enjoy very much my work at the out-stations of the Mission, where the people all co-operate with me so heartily, and are ever most hospitable and kind. In connection with this work, I must notice an interesting feature to which I alluded in my last report. At St. Thomas I have Services in Mr. Owen's house. I make a point of regarding this small congregation as a Church. We have full Evensong with sermon on the night of my arrival, and early Celebration of the Holy Communion the next morning, at which an offering is made for the Missionary work of the Church. We have sent $3 to the Mission Fund of the Church Society, $3.25 for Domestic Missions, and now we have on hand a similar sum for Foreign Missions. I have also the sum of $1.10 collected, in excess of travelling expenses, at Father Point, for the same object, and obtained in the same way. Altogether, therefore, we have secured for the cause of Missions an extra sum of about $11, which would otherwise be lost to the Church. And I am sure that the practical good done by this means is far in excess of the amount collected, as it must make us all feel that we are actually trying to do something for God, and are "not hearers of the word only."

I visited Chicoutimi twice during the year, staying several days—including a Sunday—on each occasion, holding Services, and celebrating Holy Communion. For the use of the School-House, in which the Presbyterians worship, I was indebted, as on former occasions, to the kindness of their resident Minister, the Rev. Mr. Campbell. The people—all of whom I visited—received me with their usual kindness; the Services were well attended and hearty, and all the Confirmed members of the Church communicated.

At Rivière du Loup, it has seemed to me, that there has been progress in many ways which I cannot very well describe. Certainly, the attendance, of late, at both the ordinary Services and the Bi-monthly Celebrations, has improved, and is now much steadier than it was a year ago. The collections, too, are larger, and I think I can see a better spirit regarding God's work beginning to grow. I do not wish to speak over-confidently, and shall only be thankful, if I am in any degree right in my opinion. The Bible Class for adults held last winter was very well attended, and seemed to have a generally good effect; so much so, that I am encouraged to try it again this winter.

I think we had a larger number of visitors last summer than in the preceding one. Their attendance at Church was undoubtedly better, making the Services hearty and enjoyable, as some of themselves declared. We are much indebted to these visitors for liberal aid towards the payment of the Diocesan Board assessment. They seem to give willingly, and without them the people here could not make up the amount required; therefore, on behalf of the Mission, I wish to thank them most heartily for their generous help.

At Portage, six miles from here, I held, as usual during the summer season, a Sunday afternoon Service for the visitors who go there. These Services were not as well attended as in the previous summer. This was due in part to the weather, and in part to there having been a smaller proportion of good Church-goers amongst the new visitors this season.

The Woman's Auxiliary and the Ladies' Guild both did very well this year, the latter having repaired part of the Parsonage at a cost of $22, and the former having raised $26 for Missionary purposes, including a barrel of clothing sent to the North-West.

In conclusion, I wish to express my deep sense of obligation to all my parishioners for the kindness they have shown to myself and family. Presents of all kinds were sent to us, both before and at Christmas-tide. But, as beyond all praise, I cannot sufficiently express my gratitude to the whole English community here—members and non-members of the Church—for the outburst of sympathy and condolence offered to us at the time of the recent affliction we met in the loss of our son, mentioned above. I can only pray that God may bless and help them in their time of need.

SANDY BEACH,

No report received.

SCOTSTOWN.

The Rev. C. E. Bishop reports:—

The Rev. H. A. Brooke severed his connection with this Mission last March, leaving "foot-prints" of a splendid work after five years' incumbency. From the first Sunday after Easter, till my appointment on the first of June, the Rev. B. Watson faithfully took charge of the Mission. At different times, Messrs. Balfour, Wurtele and Mitchell, Divinity students of Bishop's College Brotherhood of Lay Readers, have very acceptably taken Sunday duty.

Scotstown.—Services are held here every Sunday, with a monthly Celebration of the Holy Eucharist. Besides a welcomed visit from the Ven. Archdeacon Roe on Sunday, November 19th, the chief event since we came was the Deanery Meeting held here on the 9th and 10th of October, when the Rural Dean Robertson and six of the Clergy were in attendance.

A Harvest Thanksgiving Service was held on the first evening of the Deanery, the preacher being the Rev. J. W.

Wayman, of Johnville, who gave us an excellent sermon

The Ladies' Guild are doing good work, having raised and spent for various purposes over $50, $10 of which they have given to the recent repairs of the Parsonage. The Sunday School is doing quite well, but might be much better, if only the parents would interest themselves more in their children's spiritual welfare. This may be said more or less of the whole Mission.

A suggestion by the Bishop in his Lordship's Charge at the last Synod concerning the keeping of Church buildings in a proper state of repair has been acted upon in this Mission. The Parsonage has been repaired; the horse barn moved to a convenient spot on the Parsonage lot; new drain pipes laid, &c. We are much indebted for help to the men of Canterbury.

McLeod's Crossing.—This is a new place, six miles from Scotstown, where there is a saw-mill, and a small butter tub factory, managed by Mr. F. W. Scott, a Churchman of Knowlton, P. Q. For some time I held a weekly Thursday Evening Service here, sometimes in the saw mill, sometimes in the packing room, or boarding-house, which was well attended mostly by the workmen. Although unable to keep up the Services regularly for a few weeks past, I hope to continue them during the winter, provided the mill runs. As a token of their appreciation of the Services, the men provided an organ for use at these Services, and also raised towards the Parsonage repairs $20.65.

Canterbury.—Services are held here every Sunday with a monthly Celebration. This is the largest congregation in the Mission, and there seems to be a growing interest in Church work. They have recently bought a new organ. The Ladies' Guild here is also doing well, having raised over $42 towards the new organ.

Rev. C. B. Washer, of Bury, kindly preached on the occasion of our Harvest Thanksgiving Service here.

Lingwick.—Services are conducted here every Sunday with a monthly Celebration. A very heartily appreciated sermon was preached at the Harvest Thanksgiving Service by the Rev. Mr. Husband, of Marbleton, whom we were glad to welcome as a new-comer to these parts. Although the congregation is small, the people are very loyal indeed, as has always been their reputation. True Churchmanship and not "manism" seems to inspire them in their Church duties. The Sunday School is kept up nicely by Mrs. Pennoyer

and Mrs. F. Cowens. The congregation has managed to keep up the full assessment of $120 for another year, in spite of the loss they have sustained by the removal of four or five families from the Mission, the same as recorded in the last report. The Ladies' Guild are ever busy and always planning here as in the other parts of the Mission, how to further the best interests of the Church. During the year they have paid out over $60, $25 of which they have just given to the Parsonage repairs. And as the Wardens had all they could do to make up the assessment, the Guild also paid the insurance on the Church of $10.40. There is also a "Girls' Friendly," which lends a great interest in the Sunday School work. Collections are being made in the whole Mission on behalf of the Robert Hamilton Memorial, an object which should be gladly supported by every Church family in the Diocese of Quebec.

In closing, I desire to thank our several Church-Wardens, Church-workers, and all who have laboured so faithfully in this Mission, and who have tendered us so many personal kindnesses since we came amongst them. Nor can I ever cease to feel grateful to those dear friends in my last Mission who, during four months of continued sickness in my family, rendered us such unwearied help, lovingly supporting us by their sympathy and manifold deeds of kindness.

May we each and all have grace and strength faithfully to persevere in our respective duties, with a single eye to God's glory and the building up of our Master's Kingdom.

SHERBROOKE.

The Rev. Dr. Dumbell reports:—

On the 1st of March last the Rev. F. G. Vial entered upon his duties as Curate. He is, in every way, all that any Parish Priest could desire; and, speaking selfishly, I earnestly hope that he may be able to remain with us for a long time.

The work of the Parish has gone on uninterruptedly. The number of public Services held during the year was six hundred and eight, of which one hundred and six were Celebrations of the Holy Communion, seventy-eight at St. Peter's, and twenty-eight at the Advent. To the Societies working in the Parish, as reported last year, two have been added, a Society for lending Articles and providing Comforts for the Sick Poor; and a Guild for Children in the District of the Advent. The Lay-Helpers number two hundred and twenty, there being one hundred and eighty-two connected with the Parish Church, and thirty-eight with the Advent. To all of these, but especially to the Church-Wardens and Sunday School Superintendents, my warm thanks are due for their untiring and faithful Services. The Societies now at work are as follows:—The Altar Society, the Guild of St. Peter, the Women's Guild of the Advent, the Guild of St. Agnes, the Guild of St. Faith, the Girls' Friendly Society, the Woman's Auxiliary, the Dorcas Society, the Clothing Club, the Junior Auxiliary, the Christmas Club, the Sick-Lending Society, the Children's Guild of the Holy Nativity.

I should like to refer in detail to the good work done by each of these Societies, but that is out of the question. I may, however, be permitted to draw attention to the successful working of the Clothing Club, which, under the conscientious and skilful management of Mrs Anderson and Mrs. Moe, has prospered greatly, and done immense good by the sale of articles of clothing of all kinds (given to the Club) to persons of small means, at very low prices. The buyers would much rather obtain what they need in this way than as gifts, and yet are greatly helped by the saving effected for them. The proceeds of the sales made by the Club go to the Poor Fund, so that a twofold work is accomplished by this excellent Society.

We hope, all being well, to commence the erection of the new Church early in the spring.

The Sunday Services at the Brompton Line and Magog River School-Houses have been held without interruption throughout the year.

SHIGAWAKE.

The Rev. I. N. Kerr reports:—

During the year now almost ended the Services of the Church in this Mission have been continued in the usual order without intermission, except for a few Sundays when the Pastor was absent. The congregations have, on the whole, been fairly good, though not nearly as large as they might be, there being only too many signs of indifference in religious matters on the part of professing Christian families. May they be led by the Holy Spirit to see the

duty as well as the privilege, not only of a more habitual attendance at public Worship, but also of giving more liberally of their substance for the work of the Church.

Death has visited all of our congregations during the past year, and some of our most earnest members have been called from earth to Paradise. We have also lost several families by removal to other parts of the Dominion.

The most important work in the temporal affairs of this Mission during the year has been the erection of a Parsonage, which is now almost ready for occupation. There still remains a debt of a little over $200 to be paid, as well as a barn to be built. It is hoped that the people will make a combined effort to clear off the debt before the end of the century.

The few families (3) at Newport have succeeded in putting a good paling fence around their Church and grave-yard, which adds much to outward appearances, at the same time that it witnesses to a reverent care for things sacred.

The congregation of St. Philip's, Gascon, have improved their Church by the completion of the steeple; and before another year is ended we hope to see a good bell in the tower. It seems to be a pleasure for this small congregation to do all they can in beautifying God's House.

The Ladies' Guild and Woman's Auxiliary of St. Paul's Church still continue their active work for the Parish and Missions.

On Thanksgiving Day the Services were especially bright and hearty. There was a Celebration of the Holy Communion at 7.30 a.m., and Evensong at 6 p.m., when the Rector of New Carlisle gave an earnest and instructive sermon on the lessons to be gathered from "seed time and harvest." After the Service in the Church, the congregation repaired to the hall where the ladies had provided a nice harvest supper. A most sociable and pleasant evening was spent, and all returned home feeling that we had indeed much reason to thank the giver of all good things for his many blessings to us both spiritual and temporal.

I feel deeply grateful to the Church-Wardens, Organists and all other helpers of the Church for their faithful services throughout the year. God will not "forget your work and labour that proceedeth of love."

STANSTEAD AND BEEBE PLAIN.

The Rev. H. A. Brooke reports:—

I was appointed Rector of this Parish last March in succession to the Rev. W. T. Forsythe, who had removed to Vermont. For the past few years the Rector of Stanstead has had a resident Assistant at Beebe Plain; but, owing to the smallness of the congregation, and the lack of funds to support a second Clergyman, I have now charge of both Stanstead and Beebe Plain.

Christ Church, Stanstead.—Services are held here morning and evening every Sunday, with a Celebration of the Holy Communion each Sunday and Saint's Day, and also a Service on Wednesday evenings, followed by a Choir practice. The congregations have been very fair, especially in the evening; the morning congregation averaging sixty-five and the evening nearly sixty. We have lost the valuable services of our two organists, Miss Meigs and Mrs. H. E. Channell, who for over twenty-four and twenty years respectively, have voluntarily played the organ and trained the choir. The hearty thanks of the congregation have been conveyed to them for the long and faithful perform-

ance of their duty. We have secured the services of Miss Sheaf as organist and choir trainer. I regret to state that we have lost the services of Mr. Andrew Allan, jr., who for the past seven years has identified himself with the choir and all Church work. Mr. Allan and his family have removed from Stanstead to Coatesville, Pa. I hope that during the coming year the work of the St. Andrew's Brotherhood will be revived and fresh interest taken in it.

All Saints' Church, Beebe Plain.—Services are held once every Sunday at 2.30 in the afternoon, with a Celebration of the Holy Communion on the first Sunday in the month at 8.30. Sickness has been very prevalent in this district, and through death we have lost two very promising young men. During the latter part of the year the attendance at Church has much improved. We are led to hope for a further improvement next spring by the prospect of new granite works then coming into operation. The Ladies' Guild has recently been reorganized, and we look for much help from them during the coming year.

When I came to Stanstead there was a debt in the Parish of over $500. I am thankful to report that with the kind help of friends outside, and the generous donations by our own people, the debt by Christmas will be reduced to about $150, and we trust by next Easter the debt will be a thing of the past. Through the kindness and interestedness of all the Parishioners in the Parish, I feel that I have much to be thankful for, and that there is indeed a bright future for our Church in Stanstead.

ST. MAURICE.

The Rev. W. Barton reports:—

St. Stephens, Grand'Mère.—Regular Services have been held here since March. A Church has been partially completed. The Lord Bishop visited the Parish in November and dedicated the building to the Service of God. For further particulars see QUEBEC DIOCESAN GAZETTE for December. The work here is very encouraging.

Radnor Forges.—Regular Services held here with exception of three Sundays. Attendance exceptional. Much might be done here if Church and School associations would make over properties to the Bishop.

Grandes Piles. Fortnightly Services, with several unavoidable omissions, have been held here since April, on Thursday evenings. One family and two male adults.

Burrill's Sidings.—Fortnightly Services on week-days with two or three omissions. Two families here.

Shawinigan Falls.—Fortnightly Services, commenced on 30th October. This place will be of great importance in the spring, as three important industries will then commence work. A Church site has already been promised.

Mackinack.—One family here. Visited twice. Sixteen miles north of Grandes Piles, on St. Maurice River.

THREE RIVERS.

The Rev. H. C. Stuart reports :—

It is with much regret that I report the death of Mrs. Catharine Rickaby, an old trifluvian, who has been for nearly half a century a warm friend of St James' Church. As a benefactor of our Local Endowment, a promoter of the embellishment of the Church, a constant and liberal contributor to our funds, and a valuable helper in various ways, she will long be remembered by us all.

To the sum of $732.89, which appears below as revenue, must be added the amount of Endowment revenue $281, making a total of $1,013.89, of which $813.89 was applied to payment of Rector's stipend, and the balance towards paying off our liabilities. We sincerely regret our inability to send this year our usual contributions to the various funds of the Church Society; whilst still unable to meet certain important liabilities, we have not felt justified in so doing. We hope to be in a position to rectify this at a later date.

VALCARTIER.

The Rev. Dr. Riopel reports :—

This last summer further additions have been made towards the completion of the needful buildings on the Parsonage premises, through the leadership of Mr. Carl Wolff and the hearty assistance of other members of the congregation. The attendance at Church is still encouraging and the devoutness of the congregation edifying, but the irregularity of morning Service here, necessitated by my having occasionally to take a morning Service at Stoneham, is a source of disappointment to many. My stay in this Mission has been very pleasant; and I only hope that my presence is as welcome to my people as their kind and hearty greetings are appreciated by me and my family. I think we have learned to understand each other and need fear no other truth but that of possible outside

origin. I also very much enjoy the Services and visiting at Stoneham, and have found among the people there the noble quality of never uttering the least disparaging word anent any of my predecessors. They are a small but appreciative congregation. Unfortunately their numbers are still diminishing through the gradual moving away of members to other parts.

WAY'S MILLS AND BARNSTON.

The Rev. N. M. Bayne reports:—

Having been in this Mission only two and a half months my report must necessarily be brief, limited to the apparent condition of things, with perhaps impressions as to seeming prospects.

On the list of those who come within the range of the Church's work at Way's Mills there are one hundred and thirteen names, at Barnston fifty. Of these the average number attending the Services is respectively thirty-five and ten. Communicants have averaged respectively seventeen and six. In Way's Mills the attendance at Worship has increased slowly, and so apparently has interest and devotion. The latter improvement is doubtless due in some degree to the building up of the choir, which is now a very good one, new members having been added and practising being done faithfully every week. At Barnston, although attendance and interest have somewhat increased the outlook is not bright. Many unfortunate events seem to have followed one upon the other in the history of this congregation tending to destroy its life and work for God's glory. However, it would seem as if the darkest days must be past, so that I trust, if those members who remain will but co-operate heartily, reports indicative of real work and true progress may yet be written.

For some months previous to my arrival, the Guild of the Church of the Epiphany, Way's Mills, had lain dormant. It has since been revived and is being carried on quite energetically by about fifteen members. The ladies of this

organization deserve much credit, for having borne almost all the expenses of repairs on this Church and the Parsonage for some years past, both of which are in good condition at present. The Church at Barnston is in need of inexpensive repairing of the roof and foundation.

The Sunday Schools have not been open for some time. It appears that this most important work can be carried on here with great difficulty. Very few children live near either Church, so that it will be necessary to try to establish schools in central places outside, where the greatest numbers can be gathered together.

I cannot fail to add that since coming here my family and I have received much kindness from the people of the Mission. On arriving it was found that the more necessary of our house-keeping things had been delayed. Kind neighbours therefore took-us-in and made us quite at home, until we where able to move into the Parsonage. All our belongings were also brought up from the station free of charge, whilst a few days ago a number very thoughtfully came and piled into the shed the winter's wood. Besides these things we received gifts of vegetables, apples and oats. Such kindness is a help in every way, not least as indicating goodness of heart, which one rejoices to know exists.

WINDSOR AND BROMPTON.

The Ven. Archdeacon Roe reports:—

On the first April, 1894, I succeeded the Rev. J. C. Cox in the charge of the Mission of Brompton and Windsor Mills; and on first August, 1899, I passed on the charge of the same to the Rev. E. A. W. King. It will not be unsuitable that I should place on record here some brief account of the progress made during those five years.

Mr. Cox's book of Parish statistics handed to me on his leaving us makes the families in the congregation of St. George's, Windsor Mills, to have been then twenty-nine in number. Of these three have been broken up and dispersed by deaths and we have lost four by removals, twenty-two still remaining with us. Of these twenty-two, however, four have failed to connect themselves with us in any way. They ought not to have been on the roll at all. Of the eighteen remaining, six down to that period took no interest in the Church, but have since waked up to a better sense of duty, and are now, most of them, among our most reliable people. That left us with about a dozen families, certainly not more, who felt it their duty take their share in the work of promoting the interests of Christ's Kingdom in this part of the world. However, there were eighteen families on the roll.

To these eighteen families, seventeen have been added, who all take some part in the Church's work; and nine individuals not belonging to any particular family, some of them among the most devoted adherents of the Church. So that where we had eighteen families on the roll five years ago, we have now thirty-eight, or more than double the number.

If it be asked, where did these new families and individuals come from? Are they merely so many Church families who have moved into this town from other places, impoverishing the parishes they have left? In part it is so, but this does not apply to them all. Some of them are families and individuals grown up in the place, who formerly took no interest in the Church or in religion, but now take a real and deep interest. For example, I have before me five names. Three of them are sisters, who five years ago lived within the limits of the congregation, but knew nothing about the Church, but are now devoted Church members, attend our Services regularly, are unfailing communicants, and pay towards the Church's support. The other two are mothers of families, who in like manner once thought little of religion and seldom if ever came to Church, but now feel it of the first importance to secure the benefits of our holy religion for themselves and their children. I think it safe to say, relying on my own knowledge of things as well as on statistical evidence, that the Church of England is more than twice as strong in numbers in the town of Windsor Mills to-day as she was five

years ago; and that not simply owing to the growth of business in the town attracting work-people, but due to healthy growth in sincere religion.

During these five years we have had serious losses of some of our best people by deaths and removals. Among these I may mention Henry Seaby, Mrs. Walter Young, James Holmes, the families of James McHardy, David Kelley, Mrs. Fields, Benjamin Riches, J. C. Grant, Harold McLean and others. These were among our most faithful adherents, whose loss we have felt deeply, and yet we have grown in all the elements which constitute parochial strength.

This growth appears most conspicuously in our communicants' roll. Mr. Cox left me a list of nineteen communicants in St. George's Church, representing nine families and two individuals. My own list shows the names of eighty-nine who have communicated during the last five years not counting visitors. Of these eighty-nine, we have lost eight by death and twenty-six by removals. I have marked thirteen as "withdrawn"—persons who used to communicate, but have ceased to do so. This leaves us with a present list of forty-two regular communicants. Our communicant strength is more than twice as great as it stood five years ago.

I pass now to the Sunday School. There are in the homes of the congregation of St. George's, Windsor, one hundred and twenty baptized children under the age of fifteen years, one-half of whom at least on the average ought to be under regular instruction in our Sunday School The Superintendent of the Sunday School, Mr. Alton Rowland, reports to me that there are fifty-six children on the roll from twenty-four families. Of these, forty-four are marked as attending regularly and twelve irregularly. This is, I think, very encouraging. I may add that it is a great comfort to me, on retiring from Windsor Mills, to leave the Sunday School work in the hands of one so devoted to the young as the Rev. E. A. W. King is well known to be.

I pass now to speak of the important matter of Church finance. This falls naturally under two heads—first, providing funds to meet the expenses of our own Parish, and next, responding to the calls for help in Church Missionary work from those outside our Parish.

The question of Church finance is always a difficulty.

The principles which ought, in my judgment, to rule in the raising of money for religious purposes, I had the privilege of setting before this conference in the anniversary sermon of last year, which was printed in full in the *Sherbrooke Gazette*. Therefore I shall say nothing more on that head. This much, however, I may say with the approval of all Christians, that all money raised to be offered to God should be raised on religious principles.

For the last five years, St. George's, Windsor Mills, contributed the sum of $1,432, of which $1,125 was for Parish expenses, and $307, or about twenty-two per cent, was sent away to help our brethren outside.

We have had in the Windsor congregation a good deal of difficulty in providing the necessary funds to defray Parish expenses,—a difficulty altogether created by the irreligious methods of raising money for Church objects in vogue in the religious world, and which, previous to my incumbency, were to a certain extent in use in the Mission of Windsor Mills. To provide money for the promotion of God's work, methods are resorted to which no respectable man or woman would use or permit to be used in their own private life or business. These methods, I need not name, they are all understood. These all ceased in Windsor Mills on my appointment. Everyone who knew me knew that I had been fighting all my life against these unchristian ways of raising money for God's work, and they knew it was in vain to ask me to sanction them. I would not allow the Church of God to be soiled by such proceedings. It was claimed that we could not live without them; but we have lived without them. We have paid our Parish expenses honestly and honourably in hard cash, out of our own pockets, and I have the Parish out of debt and with all its remaining expenses paid in full without having resorted to any one of those dishonourable subterfuges invented to inveigh people outside the Church into paying the necessary expenses of keeping up the Church's Services. We had not for five years in the Mission of Brompton and Windsor a Bazaar, or a Social, or a Concert, or a Pic-nic—of course I mean for the purpose of raising money to pay Church expenses—or a Dance, or a Card Party, or a Play, or a Strawberry Feast, or a Sugar Party, or a Chicken-Pie-Social, or an Oyster Supper, or any other similar contrivance to raise money to help the Church and Kingdom of our Redeemer to pay its way;—and yet St.

George's is alive as a congregation, and has been growing stronger financially every year. We used the Envelope system and it has worked well. On the list of subscribers to that system there were at the close of my incumbency twenty-seven names, of whom eighteen pay well and regularly, and nine are in arrears. Besides these twenty-seven, there are on the list of Parishioners twenty-three names of Church members who do not subscribe to the Envelope Fund. Most of them, I think, would subscribe if they were insisted to do so, in a kind and friendly spirit. However this requires co-operation and perseverance. The congregation is much indebted to Mr. Alton Rowland for his faithful labours, amid many discouragements, in behalf of a healthy system of finances in St. George's Church.

The above remarks on the difficulties of Church finance do not apply to the same extent to the congregation of Christ Church, Brompton. Here the assessment is always ready, and at least if it is not punctually paid to the day, the money is always ready and only needs to be asked for. The old subscription list system still prevails here, and as it works fairly well, I have made no effort to change it. The other Parish expenses are always cheerfully paid, and the Church and Burial-Ground are kept in good repair. The good women of the congregation have a religious organization of their own called the Ladies' Aid or the Ladies' Circle, through which they both contribute a good deal of money for religious purposes and also cultivate kindly social relations among the members of the congregation. The young people came to me this last winter, and in the most loyal spirit asked my sanction to their forming a similar organization for themselves, through which they might meet socially, and under a few simple rules drawn up by me might have social enjoyment under the sanction of religion. I was much pleased with the whole spirit in which this matter was carried through. The members of these two Guilds make an offering at each meeting of a small sum of money for religious purposes. I feel sure that under Mr. King this very simple and loyal organization will be an instrument for good, far beyond what was hitherto accomplished.

The Christ Church (Brompton) congregation raised during the five years upon which I am reporting $1,426.31, of which $1,207 was spent upon our own Parish, and $220

was sent away to help in the Propagation of the Gospel outside our Parish.

The two congregations thus paid very nearly the same amount each, and jointly close upon $3,000 in money during the five years, not reckoning in this what was done by the Woman's Auxiliary, and in various other ways. The Ladies' Circle undertook of their own accord several costly works,—the putting a furnace under the Church, fencing the Burial-Ground, roofing the Church anew. The money for these important works was provided by these good women out of their own means, freely given without calling in any other objectionable modes of raising funds, upon which I have animadverted above.

During the five years last past there have been very few changes in the Brompton congregation. To the list of nineteen families left me by Mr. Cox three have been added, and one family has removed. To the list of communicants fifteen have been added, ten have removed and three have died. The Sunday School and Bible Class have gathered in practically all the children in the settlement. We are greatly indebted to Mr. Silas Varney, who has ably superintended the Sunday School when I could not be there, and to several other faithful helpers, whose names, I trust, are in the Book of Life.

On the whole, I think the progress made in Christ Church, Brompton, though not perhaps so striking as that of the Church in the busy thriving town of Windsor, has been quite as satisfactory and encouraging. A Presbyterian gentleman, who has had an intimate knowledge from the first settlement, from which the Brompton Church congregation has been drawn, said to me lately that no one who had the knowledge that he had of the religious condition of the country then and now, could help feeling how truly good a work the Church of England had been privileged to do in moulding the characters and conduct of the people in that settlement, and making them the God-fearing and religious body of people which they are. When we hear such a testimony as this, borne by a good and godly man to our work, we may well thank God and take courage.

The Rev. Ernest A. Willoughby King reports:—

I was appointed by the Lord Bishop to take charge on August first. On that day was introduced to the new

Mission field by the Ven. Archdeacon Roe, D.D., and as his successor in Christ Church, Brompton, and St. George's Church, Windsor Mills. My duties commenced thereafter, but actual residence not until August 29th. This report, therefore, refers only to the four months from August to Advent, but the financial statement concerns the whole ecclesiastical year. The customary order of Services and Sunday School instruction has been maintained. The average attendance differs but little from previous records. A better proportionate representation of those enrolled as members attends in Brompton than in Windsor Mills. This is partly to be accounted for by factory occupation, which involves much night and even—I am sorry to say—Sunday work, as compared with the exactions of farming. It is but a common and just observation, however, that were *all* who *ought* for their *own soul's welfare* to keep up regularly the practice of public worship, so vitally important to their spiritual life, our Churches would always be full to overflowing. It is a cause for thankful satisfaction to observe throughout this Mission the effects of that careful training in the system and principles of our beloved Church, which any one would be sure to find, who was fortunate enough to succeed so zealous, energetic, learned and godly a Missionary as our Venerable Archdeacon is so well known to be. Both Churches were beautifully decorated for the Harvest Festival by the skilful hands of willing workers in conjunction with donors of fruits, grains, vegetables and flowers. The Ladies' Guild and Young People's Guild of Christ Church continue in operation, and the Woman's Auxiliary of St. George's is renewing its usefulness. Both Sunday Schools are exceptionally blessed in their excellent superintendents and teachers, as also are the congregations in the earnest and capable services of all four wardens, whilst to organists and choirs they also owe a debt of gratitude. A worthy member of St. George's choir, who indeed at the time was acting as organist, Mr. A. A. White, bravely and promptly volunteered and was accepted for military service in South Africa. The best wishes and prayers of the congregation, and of his many other friends go out, I am sure, after him and his comrades in arms, with devout hopefulness. Increase over last year for all purposes $19.92.

The above statement shows that the funds in hand at the beginning of the year ($77,000.00) and the investments paid, have been all invested. The average rate of interest on the new investments is 4.88 per cent, but the actual rate on the Bonds purchased, charging premiums, is only four per cent. The premium payments aggregate $7,596 81. Of this sum $3,362.18 was charged against the revenues for the year, $1,000 was settled by anticipating the interest for the year 1900 on an investment, and $3,234.63 is carried to the debit of the premium and discount account, to be charged against next year's revenues.

The interest on all investments has been paid with the exception of that due by the City of Brandon, which is again in default. The interest unpaid in 1898 was collected by legal process, and suit has been entered for the interest due for the past year, the bondholders having united to defeat the apparent attempt at repudiation which is made by this municipality.

By contributions from friends of the Mission, the Actonvale Endowment Fund has been brought up to $3,600, and the income is now available.

The Robert Hamilton Memorial.

To the members of the Church in the Diocese of Quebec it is already pretty generally known that shortly after the decease of the late Dr. Robert Hamilton, it was resolved, at a public meeting of Churchmen held in the City of Quebec, that a Memorial should be erected which should in some fitting way commemorate the name of this great Churchman and Benefactor, who throughout half a century had done so much and given so much to extend and build up the Kingdom of our Lord, more particularly within the bounds of our own Diocese. Possessed of great wealth, ever conscientiously regarded by him as a sacred trust, Mr. Hamilton had throughout this long period gladly and most liberally helped to build our Churches and Parsonages, maintain Poor Schools, found and foster Local Endowments, aid the Clergy, through the medium of the Church Society, in the education of their sons and daughters at our Colleges, generously support year by year the Mission, Pension and various other Funds of the Society, and respond to every special appeal of a deserving nature with manifest gladness. As some of his largest gifts had been made in aid of Bishop's College, and Bishop's College School, Lennoxville, it was decided at the aforesaid meeting that the Memorial to be erected should have connection with this Institution; more especially as both College and School had outgrown their then present accommodation. Plans, at once admirable and artistic, were procured from Messrs. Cox and Amos, Architects, of Montreal, calculated to transform the old building, by piece-meal built, into a harmonious whole, and an imposing pile, and at the same time furnish the conveniences most urgently needed. These internal improvements included a large and handsome Dining Hall for the School, and another for the Students of the College, larger and an increased number of Lecture Rooms in the College, a more spacious and attractive Library and Reading Room, a better Lodge for the Principal, additional Bed-Rooms, Baths, Offices, &c., &c. The estimated cost was $20,000. In a memorial work of this character it was of course naturally decided (under any circumstances advisable) that no debt should be incurred; and that operations should proceed only so far and fast as funds in hand or promised warranted. For convenience sake the work was divided into three Sections, Northern, Southern and Central, at estimated costs of $11,000, $5,500 and $3,500 respectively. In the Spring of 1899 an appeal was made for gifts, or subscriptions extending over three years, and by July of that year the response met with warranted the undertaking of Section 1. We are pleased to say that this Section is now completed at a cost of $11,500. It could not how-

ever have been carried to completion had not the Lord Bishop of the Diocese generously signified his willingness to give another $1,000 (making $3,000 in all from his Lordship), which he had intended to devote to a later portion of the work: and had not many gifts, designed for Sections 2 and 3 as well as Section 1, been absorbed in the first outlay. At this junction Mr. Petry, the popular Head-Master of the School, and Mr. Frith, Bursar of the College, visited Montreal, and obtained from some of the Old Boys and other friends of the School, the sum of $1,160, to be applied to any part of the work specially beneficial to the School. This condition was easy of fulfilment, their handsome Dining Hall having far exceeded this amount in cost. It would be a becoming expression of loyalty to and love for their Alma Mater if the entire expense of this Hall were assumed by the Old Boys. Every gift made for this special purpose would be so applied, and thus liberate for subsequent work its equivalent already absorbed in the construction of their fine Hall, just as the Bishop's last gift of $1,000 has been set free by their gift of $1,160, to be applied as originally intended. It was now feared that further work would have to be postponed for some indefinite time awaiting more funds—the Clergy having left the canvass of their Parishes until this winter. Happily the promise of an anonymous gift of $4,000, supplemented by the Bishop's gift and subscriptions now beginning to come in from the Parishes, justifies the undertaking of Section 2 as soon as possible. This still leaves the Central Section, which includes a portion of front elevation, the Tower, Entrance Hall, Library, &c., unprovided for; so that we shall still need, including Architects' Fees and unforeseen extras, quite $4,000 to complete our design. It is very much to be desired, for *construction* purposes, to mention no other reason, that Sections 2 and 3 should be proceeded with simultaneously. As has been observed Subscription Lists are beginning to come in from various Parishes and Missions. Some of these Lists, by their very length, testify to the deep personal interest taken by the Clergy in the work, and also to the sentiment of gratitude felt by their people towards their late great Benefactor, Mr. Hamilton. It was the intention of the Central Board to have the Lists printed in detail in the present Report; as, however, the majority of the Clergy have not yet completed their canvas, the Board has instructed their Secretary to postpone the publication of all Lists until next year, and in the present volume to acknowledge private donations, and *in block sums* the amount covered by Subscription Lists so far received. It is with deep gratitude that we here acknowledge the promise of £300 from that noble and ever generous Society, the S.P.C.K., towards this work.

(Signed) A. J. Balfour,
Hon. Sec'y R. H. M.

Report of the Corresponding Committee of the Domestic and Foreign Missionary Societ of the Church of England in Canada, Diocese of Quebec, for the year ending 31st July, 1899.

In submitting the following accounts and tabular statement of the returns from the various Parishes and Missions of this Diocese, I beg to draw the attention of those interested to the fact that many Clergymen still continue to omit having collections taken up for the various Missionary objects.

Although the total amount contributed during the year exceeds that of last by $98.42, still there is really a great falling off, for the following reasons:

There was a legacy of $100 left for Algoma and $8.33 left by will for Foreign Missions, the special appeal for the Church Missionary Society amounted to $178.16, making $286 49, which, deducted from the gross contributions for the year=$3,831.48, makes a decrease of $188.07 over last year, and this notwithstanding an increase of $535.20 from the Woman's Auxiliary, who have contributed almost half the gross amount received with the exception of the legacy.

This shows the urgent need of every Parish doing more for Missions than they have in the past.

Armitage Rhodes,
Hon. Sec.-Treas.

Annual Report.

The following is a statement of the work done by our Association during the past year:

Our membership is about the same, our members being 124.

As decided at last annual meeting, the annual sale was held later in the autumn, it having been thought advisable to change the date for many reasons. It took place on the 26th October. The receipts were much the same as usual.

One special, ten monthly and two general meetings were held, the attendance at the latter meetings being fifteen and seventeen respectively.

The annual collection for the Church Society was again undertaken by some of our members.

Miss Tilley Kennedy having resigned from the Executive Committee last May, St. Paul's has been unrepresented at our committee meetings.

A donation of children's clothing has been received from Mrs. Webb, and sent to the family of one of our Clergymen. The gift has been gratefully acknowledged.

No funds being available at the October general meeting to meet the applications received, a resolution was passed empowering the committee to vote certain sums of money at their next meeting.

We have endeavored to give a favorable response to all appeals, but owing to some requests being for objects outside our work, we have reluctantly had to refuse assistance.

We tender our sincere thanks to all those friends who have kindly contributed money or clothing for our work.

Helen A. Sewell,
President.

Caroline M. Hall,
Secretary.
